Education Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Endorsement of the Public Works Department, dated 25th March 1895, N^o 1261C

Order, 23rd April 1895, N^o 307

H. Venkataratnam will be exempted from the Examination rules so long as he holds his present temporary appointment on Rs 20 in the District Northern Division office.

2. The Government, however, has little doubt that passed candidates would be available in the District if sufficient enquiry was made for them; the Superintending Engineer, who has on several previous occasions applied for concessions similar to that now made, will be requested in the Public Works Department to explain fully why it is that he is unable to procure passed candidates and what steps have been previously taken to obtain them.
