READ—the following paper:—

From W. HUTTON, Esq., Assistant Engineer, in charge of Tinnevely Division,
to the Superintending Engineer, VI Circle, dated 19th April 1895, No. 1094.

Adverting to G.Os., Nos. 3209 W., dated 24th November 1887, and 2757 W., dated 18th October 1890, communicated with your Nos. 1722 T.J. of 21st December 1887 and 725 T.N. of 1st November 1890, respectively, I have the honour to state that the repairs to the Post offices at Sattúr, Sivakási and Vásudévanallúr should be carried out by this department without the intervention of the Local Fund Department, as on account of the expansion of works in this division the officers of this department have to frequent these spots and besides the charge of such works does not entail special visits of the subordinates to these places.

2. The Tank Restoration Scheme works are in full swing in the Srivilliputtúr and Sattúr taluks, and about six Imperial tanks are situated around Vásudévanallúr within a radius of three or four miles.

3. The only other station the Post office in which has to be repaired by the Local Fund Department is Virudupatti which is a Railway station within only an hour's journey from Sattúr.

4. In the above circumstances I request you to address the Government with a view to modify their orders quoted above and to transfer the charge of the Post offices in the four stations referred to to this department.

No. 58 T.N.

Copy submitted to the Chief Engineer, Public Works Department, with a request that necessary orders may be obtained in view to the repairs of the Post offices at Sattúr, Sivakási, Vásudévanallúr and Virudupatti in the Tinnevely district being carried out by this department in future.

24th April 1895.

(Signed) W. HUGHES,
Suptg. Engineer, VI Circle.

ORDER—dated 8th May 1895, No. 1098 W., Public Works.

The repairs of the — at Sattūr, Sivakāsi, Vāsudévanallūr and Virudupatti in the Tinnevely district, ordered to be carried out by the Public Works Department.

From W. Hutton Esquire, Assistant Engineer, in charge of Tinnevely, &c., to the Superintending Engineer, T. T. Birch, No. 1094 of 19 April 1895:—

Adverting to G. O. Nos. 3209 W of 24 November 1887 & 2757 W of 18 October 1890, Communicated with your Nos. 1722 T. J. of 21st December 1887 & 725 T. R. of 1st November 90, respectively, I have the honor to state that the repairs to the Post offices at Sathur, Sivakasi, and Vāsudévanallūr should be carried out by this Department without the intervention of the L. F. Deptt, as on account of the expansion of works in this Division the officers of this Department have to frequent these spots; and besides the charge of such works do not entail special visits of the subordinates to these places.

2. The T. R. S. works are in full swing in the Srivilliputhur and Sathur Taluqs, and about 6 im-

perial tanks are situated around
Vasudevamallur within a radius of
3 or 4 miles.

3. The only other station the Post
office in which has to be repaired
by the Local Fund Department
is Virudupatty, which is a Rail-
way station within only an hour's
journey from Sathur.

4. In the above circumstances
I request you to address the Govt.
with a view to modify their orders
quoted above and to transfer the
charge of the Post offices in the
four stations referred to, to this
Department.
