CHIEF SECRETARIAT MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Surgeon General. dd 2d Nov 1894. No. 568.

With reference to the enclosed copies of correspondence. I have the honor to request the sanction of Government to the Consulting Architect preparing plans and estimates for:

(a) Alterations and improvements to the Cook Room of the Lunatic Asylum Madras

(b) Constructing shed for 4 horse keepers at the Superintendents quarters

(c) alterations and additions to Superintendents office.

2. The necessity for these works is fully explained in the Superintendents letters.

3. The standard plan of kitchens for jails appears a good one and should I think be consulted by the

consulting Architect in preparing an estimate for altering and improving the Asylum Kitchens.

4. As regards the question of extending the Superintendent's office, the present large wood store could be made at slight expense into a very good reserve furniture room if it was properly floored.

Open racks for storing the clothing in the reserve room and clean linen room should be provided. These racks and the bins for foul linen referred to by the Superintendent, should be of the same plan as those in use in the General Hospital.
