EXPLANATORY REMARKS.

REVISED ESTIMATE FOR 1894–95.

Receipts.

Opening Balance.—No balance for general purposes was anticipated when the budget for the current year was prepared. There were large fluctuations both under receipts and charges during 1893–94. That year opened with a debit balance of Rs. 21,740 against none estimated, and the Accountant-General has not adjusted the sum of Rs. 25,993 due from Provincial to Local Funds referred to in paragraph 2 of G.O., dated 31st March 1894, No. 612 L. The expenditure under all the grants was very much under the estimate and the decrease amounted in all to about Rs. 40,000. There was a slight increase under receipts, the net result of which was that the accounts closed with a *minus* balance of Rs. 208 including endowment and union funds, against Rs. 5,450, which is therefore carried forward as the actual opening balance of the current year 1894–95.

2. (7) *Contributions from Provincial Funds—(c) Public Works.*—Rs. 45,993 are provided—Rs. 20,000 with reference to G.O., No. 2489 L., Mis., dated 29th November 1894; and Rs. 25,993, the amount left unadjusted from Provincial Funds in 1893–94.

3. There is no departure from the budget under other items.

Expenditure.

4. *Grant I.*—The provision under grant I is increased by Rs. 35,850, of which Rs. 20,000 are for expenditure on Berhampur-Govindapur road and the balance to meet the cost of special repairs to roads and of the construction of some emergent tunnels.

5. *Allotments.*—In order to meet the deficit in the funds of other taluk boards, the district board proposes to withdraw, with the sanction of Government, from the Berhampur Taluk Funds the amount of Rs. 5,666, the expected closing balance, against Rs. 2,180 estimated in the budget.

6. *Repayment of contribution to cover Deficits.*—According to the revised estimate the year is expected to close with a balance of Rs. 87 which is provided under this head.

BUDGET ESTIMATE FOR 1895–96.

Receipts.

7. *Balance.*—The year opens with no balance available for general purposes, and the sum of Rs. 6,250 shown in statement I-A is the balance under union and endowment funds.

8. (1) *Rates and Taxes—(a) Land-cess.*—The estimate is based on the probable demand for fasli 1305 as detailed below :—

	RS.
(1) Permanently-settled estates	1,15,494
(2) Shrotriem	7,673
(3) Ryotwar and Miscellaneous	63,975
Total ..	1,87,142
Add probable arrears as per revised estimate ..	23,000
Total demand for 1895–96 ..	2,10,142

Probable collections during 1895–96 are estimated at Rs. 1,88,000, or 90 per cent. of the demand.

9. (*b*) *Tolls under Act V of* 1884.—The estimate is raised by Rs. 2,000 with reference to actuals of the previous year.

10. *Contributions from Municipalities.*—Current year's provision is repeated. These contributions come from the Chicacole and Parlákimedi Municipalities. The former contributes one-half and the latter one-sixth of its net toll revenue.

11. *House Tax.*—The increase under this head is chiefly due to the estimated receipts from the proposed union at Suradá.

12. (2) *Education—(a) School Fees.*—The estimate under the head is increased and is due to the expected increase in the fee-income of the Middle School at Tekkali and of the primary schools in the district.

13. (*c*) *Sale-proceeds of Books.*—Current year's estimate is repeated.

14. (3) *Medical—(b) Sale of Medicines.*—Rs. 260 are estimated under the head against Rs. 160 in the current year. The increase occurs under the Berhampur and Chicacole Taluk Boards.

15. (*c*) *Contributions*—(1) *From Municipalities.*—The usual contributions, Rs. 5 per mensem, by the Parlákimedi Municipality and Rs. 12 per annum by each of the Parlákimedi and the Berhampur Municipalities towards the pay of the midwife and of the probationary compounders, respectively, are provided.

16. (3) *From Private Individuals.*—The Zemindar of Parlákimedi contributes Rs. 600—Rs. 300 for Varanasi and Rs. 300 for Garabanda dispensaries. The balance of provision represents contributions from the people towards the cost of medicines.

17. (*d*) *Miscellaneous.*—The estimate under this head is reduced with reference to actuals of 1893–94.

18. (4) *Interest—(a) On Government Securities.*—The choultry at Kanchili is endowed by one Haddanur Srinivasa Row and the endowment in the form of Government Securities for Rs. 11,100 is held by the Accountant-General. The interest for the year 1895–96 is provided under this head.

19. (*b*) *On arrears of Revenue.*—The estimate under this head is reduced with reference to the actuals of the previous year.

20. (*c*) *On Municipal Debentures.*—The amount provided under this head represents interest on the Bombay Municipal debentures (Rs. 21,500) and Post Office Savings Bank investment (Rs. 200) held by the district board in trust for M.R.Ry. T. Sivaramayya Pantulu Garu's charities and for Mr. Horsfall's scholarships.

21. (5) *Miscellaneous—(a) Contributions for purposes other than Education, Medical or Works—(3) From Private Individuals.*—The Zemindars of Chikati and Mandasa contribute Rs. 8 and 11, respectively, towards the cost of the scavengering establishments at those places. The Court of Wards contributes Rs. 9–8–0 per mensem, being half the cost of the scavengering establishment sanctioned in G.O., dated 10th November 1893, Mis. No. 2523 L., for Digupudi. The balance of provision represents contributions from private individuals for sinking tanks and wells and other sanitary purposes.

22. (*d*) *Bungalow Fees.*—Estimate reduced with reference to actuals.

23. (*e*) *Fees and Fines.*—The estimate is increased by the Berhampur, Goomsur and Chicacole taluk boards.

24. (*f*) *Ferry Rents.*—Decrease under this head is made with reference to actuals of the previous year.

25. (*h*) *Fishery Rents.*—Decrease is due to the estimate having been reduced by the taluk board, Berhampur.

26. (*j*) *Avenues.*—Current year's estimate is repeated.

27. (*l*) *Sundry Receipts.*—Estimate reduced with reference to actuals.

28. (6) *Public Works—(b) Sale of Tools and Plant.*—The estimate is raised with reference to actuals.

29. (*c*) *Sale of old Materials.*—Current year's estimate repeated.

30. (*e*) *Refund of Expenditure.*—Current year's provision repeated.

31. (*f*) *Miscellaneous.*—Current year's provision repeated.

32. (7) *Contributions from Provincial funds—(a) Education.*—The estimate is increased by Rs. 310. Details are furnished in statement IV-A.

33. *Building and Furniture grants.*—The estimate is increased by Rs. 180 and is recommended by the Educational authorities.

34. (8) *Allotments.*—Rupees 26,959 are provided to meet deficits in the funds of Parlákimedi and Goomsur taluk boards and Rs. 96 to cover expenditure from district funds on account of pay of probationary compounders. The latter contribution is levied from the following taluk boards :—

	RS.
Berhampur	48
Goomsur	24
Chicacole	24
Total ..	96

The expenditure of the Parlákimedi taluk board is vastly in excess of its receipts and the excess has to be made good by very large contributions from district board funds. It is true this board maintains two through lines of communications, but even making allowance for this expenditure, it appears that this taluk board area is unduly favoured at the expense of the rest of the district. Under these circumstances, the district board is obliged to again withdraw the balance with which the taluk board funds are expected to close (Rs. 3,073).

Further, the district board solicits the sanction of Government to transfer to the credit of taluk funds the balances standing at the credit of unions. The unions in this district are not self-supporting, but the credit balances of some of the unions have accrued owing to portion of the expenditure in the unions having been erroneously debited to taluk funds.

35. The total receipts, including balance, amount to Rs. 2,71,910 against Rupees 2,77,440, the estimate for the current year.

Expenditure.

36. *Grant I, Public Works*—(*a*) *Original Works*—(1) *Communications.*—Rs. 6,166 are provided under this head by the district board and Rs. 1,170 by the Berhampur and Rs. 600 by the Parlákimedi taluk boards as detailed in statement No. III-A.

37. (2) *Civil Buildings.*—Rupees 850 have been provided for the erection of Local Fund schools and hospital assistants' quarters by the taluk boards shown below:—

	RS.
(1) Berhampur	300
(2) Chicacole	200
(3) Parlákimedi	150
(4) Goomsur	200
Total ..	850

38. (3) *Miscellaneous Public Improvements.*—The current year's provision is repeated.

39. (*b*) *Special Repairs*—(1) *Communications.*—Nearly all the roads in the main division are in need of extensive special repairs. All available funds after providing for the annual maintenance grants of roads and other necessary charges and other grants and establishments are allotted for most important works. The following are the particulars:—

	RS.
District Board	7,092
Berhampur	2,904
Parlákimedi	500
Goomsur	175
Total ..	10,671

40. *Maintenance Grants.*—The following additions and alterations are proposed in the annual grants of roads:—

Taluk Board, Berhampur—Item No. 48.—The maintenance grant of works costing less than Rs. 300 was reduced by the district board from Rs. 1,815 to Rs. 1,200 at Rs. 50 a mile which is considered sufficient to maintain these short lines.

Taluk Board, Chicacole.—The maintenance grants of roads Nos. 12 and 16 are reduced by Rs. 10 and Rs. 8 per mile, respectively, as in the opinion of the taluk board the reduced grants are quite sufficient.

Taluk Board, Parlákimedi.—The grants for the following roads are reduced by the district board. The taluk roads in other parts of the district, the traffic on which is not less than that passing on these roads, get only Rs. 100 per mile for maintenance grant. Hence the grant for items Nos. 1 and 2 below is reduced to Rs. 100 per mile. The maintenance grants of items 3 and 4 are reduced from Rs. 100 to Rs. 80 each per mile as a more important road in Parlákimedi taluk (item 22) is being maintained at this rate of grant:—

(1) Road from Alikam to Battili from Rs. 125 to Rs. 100 per mile.
(2) Road from Pattupur to Goppili from Rs. 125 to Rs. 100 per mile.
(3) Road from Parlákimedi to Uppalada from Rs. 100 to Rs. 80 per mile.
(4) Road from Uppalada to Gussadi from Rs. 100 to Rs. 80 per mile.

The maintenance grant of road from Maliaputty to Naupada was raised from Rs. 80 to Rs. 100. This road used to get Rs. 125 per mile, but the grant was reduced to Rs. 80 per mile during 1894–95. The taluk board considers it insufficient and proposes to raise it to Rs. 125, but the district board allows only Rs. 100 per mile.

No alterations are made in the grants for roads under other boards.

The total annual grants amount to Rs. 87,010 against Rs. 89,002 in the current year.

41. (2) *Civil Buildings.*—Rs. 1,300 are provided for repairs of buildings against Rs. 1,150 in the current year. The details are furnished in statement No. III-B.

42. (3) *Miscellaneous Public Improvements.*—Rupees 2,964 are provided against Rs. 2,860 in the current year for the following purposes:—

The new Local Fund Engineer will draw the minimum pay of the appointment, viz., Rs. 350 up to one year hence and he will then draw his first increment of Rs. 25. The provision is therefore reduced by Rs. 500.

44. *Tools and Plant.*—The current year's provision is repeated. Details are given below:—

45. *Contingencies.*—To meet the cost of blank forms, house-rent for Local Fund Engineer's office at Berhampur and carriage of records, &c., the following amounts are provided:—

46. The total expenditure under Grant I amounts to Rs. 1,36,440 against Rs. 1,29,430, the budget estimate of the current year.

47. *Grant II, Education*—(*a*) *Inspection.*—The current year's provision is repeated as noted below. The increase of pay proposed by the Assistant Inspector to the inspecting schoolmasters is disallowed for want of funds. The grade of inspecting schoolmasters has been only recently revised and strengthened. The pay already

sanctioned is sufficient for the sort of men procurable here for the appointments and to increase the pay still further is therefore unnecessary :—

48. (*b*) *Sessional Schools.*—The Assistant Inspector's proposal for the establishment of three Sessional schools is disallowed for want of funds. Two schools are now working in places where it is most convenient for Uriyas and Telugus to go to. The attendance of these schools is, however, not satisfactory. Twenty scholarships are provided in each school and only about half the number is taken up. For Sessional schoolmasterships competent men are not available and men of inferior qualifications have to be employed, and as it is not desirable that they should be paid Rs. 25 as at present, their salaries are reduced by Rs. 5 as proposed by the Assistant Inspector. Provision is made for two Sessional schools as in the current year and as noted below :—

49. (*c*) *Secondary Schools—Salaries of Masters.*—The anglo-vernacular schools at Srikurmam, Siddhantam and Jalamur have been converted into primary schools. The third standard in the Aska Middle school was abolished on the recommendation of the Assistant Inspector of Schools. There are no other alterations in the teaching staff. The details are given below :—

51. *Clerks and Servants.*—The estimate under the head is raised by Rs. 18 towards the pay of latrine toties to the Russellkonda and Aska schools at Re. 1 and 8 annas, respectively. The details are noted below :—

53. (*d*) *Elementary Schools—Salaries of Masters.*—Rupees 13,840 are estimated against Rs. 13,560 in the current year, the increase being due to the alterations noted below :—

(1) *Berhampur Taluk Board.*—The schools at Bippalingi, Kumbhari, Sindurapur and Bounnikoi are transferred to Umbapuva, Mokarjola, Gusanigam and Vajragumma, respectively.

(2) *Goomsur Taluk Board.*—The schools at Gopalpur and Saronowthi are transferred to Hukuma and Madhavaborida.

(3) *Chicacole Taluk Board.*—The schools at Srikurmam, Sidhhantam and Jalamur are added to the list as they were converted from vernacular middle schools into primary grade.

(4) *Parlakimedi Taluk Board.*—The schools at Bodagam, Uppalada and Balada were abolished owing to their declining state. Some of the taluk boards proposed increase of pay to some and additional masters to other schools on the ground that the schools were in an improving condition. They do not, however, seem to have considered the question of reducing the pay and strength of schools not working satisfactorily. The increases proposed are therefore disallowed. Increases of pay or establishment, where deemed desirable, must be met by savings from other schools.

54. *Results—Stipends.*—Rs. 4,330 against Rs. 4,270 are provided.

55. (2) *Servants.*—Rs. 294 are provided against Rs. 246 in the current year, the increase being due to the entertainment of a peon at Sómpéta on Rs. 4 per mensem as his services are greatly needed.

56. (3) *Miscellaneous.*—The amounts provided for the current and coming years are compared below :—

57. (e) *Grants-in-aid.*—The estimate under the head is as follows. In Goomsur the figure proposed by the taluk board has been adopted. For other taluk boards the figures are based on current year's estimates and actuals of 1893–94.

	Budget estimate.		Actuals of 1893-94.

58. (3) *Building grants.*—No provision is made under the head as nothing was expended during the last year. The provision under this head has never hitherto been utilized and there is very little likelihood of any even during the year. If at all any applications come provision will be made from savings under other heads.

59. (f) *Contributions to*—(4) *Private individuals.*—The current year's provision is repeated. Rs. 530 are provided for payment to the Kallikóta College, Berhampur, Rs. 400 in terms of M.R.Ry. T. Sivaramayya Pantulu Garu's trust and Rs. 130 on account of Mr. Horsfall's scholarships.

60. (g) *Miscellaneous*—(1) *Purchase of books.*—Rs. 400 are provided against Rs. 500 in the current year as advised by the Assistant Inspector.

61. (2) *Commission on sale of books.*—The current year's provision is repeated.

63. The expenditure under Grant II proposed for 1895–96 amounts to Rs. 46,120 against Rs. 48,500 in the current year.

64. *Grant III, Medical services*—(a) *Hospitals and Dispensaries*—(2) *Medical subordinates.*—Provision is made for twelve dispensaries as usual. The Medical officer in charge of the Police hospital at Russellkonda is also in charge of the local fund institution. For the remaining dispensaries three civil apothecaries and eight hospital assistants are provided. There is a lady apothecary employed by the district board and two-thirds of her pay is borne from local funds. The total charges estimated

under the head amount to Rs. 9,430 against Rs. 10,480 in the current year, the decrease is due to provision being made for hospital assistants instead of civil apothecaries at Sómpéta, Ichchhápuram and Calingapatam.

65. (3) *Clerks and Servants.*—Rs. 3,320 are provided against Rs. 3,190 in the current year. The increase is due to the following causes :—

68. (6) *Supplies.*—To meet the cost of bazaar medicines, Rs. 840 are provided against Rs. 810 in the current year. The increase is due to the insufficiency of current provision.

69. (7) *Midwives.*—Rs. 540 are provided on account of pay and house-rent against Rs. 400 in the current year. The increase is due to provision being made for a midwife at Chatrapur by the Berhampur taluk board.

70. (8) *Medical Pupils.*—The current year's provision of Rs. 600 on account of scholarships at Rs. 9 per mensem for four medical pupils and cost of books, &c., is repeated.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th January 1895, No. 297.

With reference to the educational portion of the Ganjám district board budget for 1895–96, I have the honour to state that the proposals of the board meet with my approval subject to the following modifications:—

	Rs.
*Three teachers on Rs. 20 for three months	180
Forty-five stipends at Rs. 5 for three months	675
House-rent and contingencies	75
Total ..	930

(i) The board has made provision for the working of a sessional school for six months only. Owing to the large number of unpassed teachers, it is very desirable that it should work at least for nine months. Fifteen stipends will suffice for each school. I would increase the allotment from Rs. 780 to Rs. 930.*

(ii) The Chicacole taluk board has proposed to pay results stipends at 50 per cent. of the maximum rates, while all the other boards are prepared to pass stipends at 60 per cent. I would recommend the payment of a uniform rate of 60 per cent. of the maximum scale.

(iii) As a consequence of the small allotment of Rs. 16,000 for results grants for the current official year, only 50 per cent. of the net cost could be assigned for each school in the E. list. Instead of increasing the allotment for the next year, the board has provided only Rs. 15,220 for the purpose. As primary education has greatly suffered in the district from want of encouragement, I would strongly urge the necessity of raising the provision to Rs. 17,000.

(iv) Rs. 450 should be provided for building and furniture grants. As every primary school has to be recognized to be eligible for aid, managers of schools should be encouraged to fulfil the requirements of the Educational rules as regards accommodation and furniture.

2. The total expenditure under Grant II, as modified above, will be found to be the same as in the sanctioned budget for the current year, viz., Rs. 48,500.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 13th February 1895, No. 140.

With reference to grant III of the budget estimate of the District Board, Ganjám, I have the honour to state that the amounts of Rs. 1,313 and Rs. 525 provided for the apothecary and the hospital assistant attached to the dispensaries at Gopalpur and Suradá should be increased to Rs. 1,575 and Rs. 707, respectively, as the former has put in fourteen years' service, and the latter will complete the same period on the 30th June 1895, and will be entitled to a higher rate of pay with effect from that date.

2. The proposal of the Board to have a hospital assistant instead of an apothecary at Calingapatam is objectionable as it is a port, and the apothecary there is also a Port Surgeon and grants bills of health.

3. No provision having been made for compensation in lieu of quarters to the hospital assistants a sum of Rs. 420 should now be provided.

From the President, District Board, Ganjám, dated Chatrapur, 8th February 1895, No. 418.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 3,17,980 and Rs. 3,11,520, respectively, against Rs. 2,71,990 and Rs 2,70,890 anticipated in the sanctioned budget. The increase in the receipts occurs under contributions from provincial funds on account of public works, while that in the charges appears chiefly under Grant I. With reference to paragraph 1 of the President's letter, the attention of the Accountant-General will be drawn to G.O., dated 3rd April 1894, No. 263, F.D., and he will be requested to report why the transfer of funds therein directed has not yet been made. The proposal of the district board to withdraw from the Berhampur taluk board the anticipated balance of Rs. 5,666 in its favour at the end of the year is approved. It is presumed that the excess allotments provided under the several grants have since been sanctioned by competent authorities.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts are placed at Rs. 2,65,660 against Rs. 3,17,980 in the revised estimate, the decrease occurring mainly under land-cess and contributions from provincial funds on account of public works. The proposals of the district board to withdraw the anticipated balance of Rs. 3,073 in favour of the Parlákimedi taluk board at the end of the year and to transfer to taluk funds the balances standing to the credit of some of the unions are approved. The Goomsur and Parlákimedi taluk boards should be required to so adjust their expenditure as to keep it within their normal receipts. It is observed that the former spends as much as 45·13, and the latter as much as 44·81 of its income upon education. These percentages are excessive and should be reduced.

4. *Charges* (1).—The probable charges are put down at Rs. 2,70,660 against Rs. 3,11,520 in the revised estimate, the decrease appearing mainly under Grants I and II.

(2) *Grant I.*—The reductions in the maintenance grants for roads referred to in paragraph 40 of the President's letter are greatly to be deprecated, for the President has himself stated in his present letter and in his administration report for 1893–94 that they require a large expenditure to bring them into good order. It appears to Government that the board spends an undue proportion of its income upon Grant II. The President's local knowledge of the district will enable him to judge where this expenditure should be retrenched, and in the ensuing year every effort should be made to render more funds available in this manner for expenditure upon communications. The provision for contribution to the Public Works Department for the scrutiny of local fund plans and estimates will be reduced from Rs. 200 to Rs. 80 with reference to G.O., dated 12th December 1894, No. 2582 L. The cost of the Local Fund Engineering establishment, including contingencies, is 22 per cent. of the allotments for works, but it is hoped that there will be an increase in the actual expenditure on works, which will keep the cost of the establishment within the prescribed limit of 20 per cent.

(3) *Grant II.*—The several increases proposed by the Director of Public Instruction in the provision under this grant cannot be approved as the boards already contribute an adequate proportion of their income towards education. From statement IV-A it appears that the Parlákimedi taluk board proposes to pay results stipends at 50 and not at 60 per cent. of the maximum rates as supposed by the Director. The proposition statements relating to Sessional schools, the Middle schools at Aska and Russellkonda and the Primary schools at Bodagam, Uppalada, Balada and Sompeta, referred to in paragraphs 48, 49, 51, 53 and 55 of the President's letter, are sanctioned.

(4) *Grant III.*—The provision for hospitals and dispensaries will be raised by Rs. 860 with reference to the remarks of the Surgeon-General in paragraphs 1 and 3 of his letter read above, but the attention of the Presidents of the Local Boards will be called to the fact that it is not necessary to provide the maximum compensation for quarters in all cases. Paragraph 2 will be referred to the taluk board for remarks.

The allotments for vaccination and sanitation will be passed subject to the remarks of the Sanitary Commissioner. The provision of Rs. 20 under contribution to provincial services on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L. The proposition statement relating to the bungalow establishments referred to in paragraph 78 of the President's letter is sanctioned.

(5) *Grant IV.*—The proposal to increase the pay of the clerk of the Berhampur taluk board's office from Rs. 20 to Rs. 25 is approved.

5. *Reserve and Balance.*—The reserve calculated at 10 per cent. of the estimated receipts, excluding those of the endowed institutions, should be Rs. 26,410, but only Rs. 17,660 or 6·6 per cent. of the receipts are available, and the budget, as revised by Government, closes with a balance of only Rs. 1,250, the whole of which appertains to endowed institutions. Every effort should be made to effect savings in expenditure in the course of the year wherever possible so as to provide a working balance for the next year and to render it possible to pay more adequate attention to the state of the district communications.
