N. 104 of 21-3-95

To W.

Returned with the remark that
charges on account of Establishment and
Tools and Plant have not been calculated
on the estimated cost of repairs as
required by Code volume I, chapter XI,
para 28 i(e). Making allowance for this
the monthly rate of rent will be Rs. $\frac{44}{12}$
or Rs. 3-10-10, assuming the capital cost
of the portion occupied is only Rs. 591
as given by the Executive Engineer.

2. It is pointed out that the pro-
portion between total area and cost of
building and the portion occupied by
tenant has not been stated by the Execu-
tive Engineer, as required by Code.
