PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

G.O. dated 4th May 1895 N^o 1057 W.

Office note from the Financial Dept. N^o 1000 d/10 May 95.

As credit has, in separate Proceedings, been taken by the Government of India through the Land Revenue Account for the contribution of the sum of Rs 30,000 from Provincial to Imperial on account of the Detention Hospital at Madras, the Proceedings of Government read above are cancelled. The allotment of Rs 44,000 entered in the Provincial Budget for the Women and Children's Hospital will not be utilised.

10. H.O. 11405 of 14 May 95

For favour of orders whether it is necessary to circulate the above paper. The Chief Secretary's office note on which the order is based was marked urgent, & the order was allowed to issue without prior circulation. But as it cancels a previous order, it should under the strict letter of the Council Rules, circulate to two H.O.s. It is however remarked that the order which has been cancelled was itself circulated. The question is simply one of form and no administrative question is involved. It will therefore, perhaps be sufficient if the matter is included in H.O.'s weekly "List".

10. For orders whether under the circumstances explained in the attached office notes, H.O. 1051 of 4 May 95 may be cancelled. It is submitted that the P.W. Dept. was not contrary to the instructions of the Financial Dept. That Dept. committed the initial mistake of putting the funds into the P.W. & Budget. They now find that no transfer from C.S. Civil Works is necessary, but seem unwilling to acknowledge the mistake.

It seems to me that the initial mistake was made by the Financial Dept., and it is for that Dept. to correct it. The P.W. Proceedings are under reference. F.D. No 1059

G.O. 74 May 1895 No. 1051

W.

Please see page 4 of G.O. 7. 10 April 1895, No. 311 Financial where it is shown that the Govt. of India has taken credit for the contribution of 30 lakhs for the Detention Hospital. Attention is invited to article 1364(a) of the C. A. Code which lays down the method by which all adjustments between Imperial and Provincial Funds are made. If any payment to Imperial had been necessary it would have been carried out in the Financial Dept.

Will you please cancel G.O. 74 May 1895 No. 1051?
