REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 13th November 1894, No. 495 :—

Read—again Proceedings of the Board of Revenue (Land Revenue), dated 13th March 1894, No. 99.

ABSTRACT.—Communicating, with remarks, to all Collectors, Government Order, Revenue Department, communicating the remarks of the Inspector-General of Registration on the Board's proposal defining the duties of Sub-Registrars in charge of sub-treasuries during the absence of Deputy Tahsildars from their stations.

Resolution—dated 13th November 1894, No. 495.

With reference to Government Order, dated 27th February 1894, Mis. No. 855, the Board begs to submit herewith a revised list of sub-treasuries in charge of Deputy Tahsildars containing also the information required by Government in paragraph 2 of its order.

2. It will be seen that in the case of the seventeen treasuries noted in the margin, the Inspector-General of Registration has no objection to Sub-Registrars being entrusted with the duty of looking after the treasury during the absence of the Deputy Tahsildar in camp. It is presumed that instructions will be issued to the Sub-Registrars concerned, not only to have charge of the treasury, but also to check the transactions and countersign the chitta every day.

3. The Inspector-General considers that the Sub-Registrars of Kotah and Sulurpett in the Nellore district can also look after the sub-treasuries at those stations if accommodation can be provided for their offices in the Deputy Tahsildars' office

buildings. The Registration offices are at present located in private buildings at considerable distance from the Deputy Tahsildars' offices which have no accommodation to spare. The Collector considers that the Deputy Tahsildar's office at Kotah can be extended and the ryots' shed at Sulurpett converted into an office building. The Board recommends that the Collector's suggestions may be referred to the Inspector-General for consideration.

4. In regard to the remaining sub-treasuries for which neither a Head Accountant nor a sub-treasurer has been allowed, the Collectors concerned, with the exception of those of Tanjore and Madura, are of opinion that they cannot be closed, without inconvenience, during the Deputy Tahsildars' absence. The Collector of Tanjore states that the Deputy Tahsildar of Arantangi is rarely absent from the station and that the treasury can be closed during his absence. In Madura, it has been the practice to

close the treasuries, with the exception of the one at Ramnad, during the Deputy Tahsildar's absence, and no inconvenience is reported to have been felt. As, however, the Inspector-General of Registration has no objection to the Sub-Registrars looking after the sub-treasuries at the marginally-noted six stations, the Board sees no necessity for closing those treasuries hereafter.

5. The Collectors of Vizagapatam, Gódvári and North Arcot recommend that a separate Head Accountant on Rs. 30 or 25 may be sanctioned for the sub-treasuries in their districts as shown in the remarks column of the statement. The Board is unable to support the Collectors' proposals in view of the present financial pressure and is of opinion that the existing arrangements may continue.
