Office of the Asst. Superd. of Police, N. Malabar
Tellicherry, 18th February 1895.

From,

J. Annulage, Enquire,
Asst. Superd. of Police
North Malabar,

Forwards to
The Executive Engineer
D. P. W. West Coast
with request that Sir,
he will be kind
enough to say to the fact that lines for Nayar Constables are badly wanted
whether these
buildings might
be made over
to the Police Department.

The Superintendent of Police
Malabar,

Even if they are
to be handed over
to the Railway
(perhaps from
the house)
it may be that
there would be
no harm in
allowing
Police to use
them, interim.

I have the honor to draw your attention
to the fact that lines for Nayar Constables are badly wanted
in Cannanore Town station as the nearest Nayar quarters
are two and three miles away.

Some of the Nayar Constables lately
engaged a house near the station and lived together there.
The owner is, however, no longer willing to let it to them.

A block of buildings which was for-
merly used as married quarters for the Royal Artillery
lies close to the station. Several of the rooms are now
vacant and at times all are unoccupied. Certain

Constables have, therefore, applied for the use of one
of these rooms. The P. W. D. Sub Division Officer of
Wynad states that 8 sets of rooms are available at
a monthly rental of Rs 2/8 each set.

The set consists of 2 rooms one

The outer ring of the stamp contains the text "PACIFIC ENGINEERING OFFICE" at the top and "WEST COAST DIVISION" at the bottom. In the center, the date "28 FEB. 95" is stamped. Below the date, the initials "P. W. D." are visible. A handwritten signature, possibly "J. H. [illegible]", is written across the top portion of the stamp, over the words "ENGINEERING OFFICE".

READ—the following papers:—

From H. H. O'CONNELL, Esq., Executive Engineer, West Coast Division, to
the Superintending Engineer, IV Circle, dated Calicut, 4th March 1895,
No. 108 S.E.

In forwarding the enclosed correspondence received from the Superintendent of
Police, Malabar, I have the honour to recommend that the Police Department be
allowed to occupy the vacant military buildings at Cannanore referred to, as it is
better that they should be occupied and kept in repair than allowed to go to ruins.
I request that the necessary sanction may be obtained to the occupation of the
buildings by the Police.

ENCLOSURE.

From F. ARMITAGE, Esq., Acting Assistant Superintendent of Police, North Malabar, to the
Superintendent of Police, Malabar, dated Tellicherry, 18th February 1895, No. 62.

I have the honour to draw your attention to the fact that lines for Nayar constables are
badly wanted in Cannanore town station as the nearest Nayar quarters are two and three
miles away.

Some of the Nayar constables lately engaged a house near the station and lived together
there. The owner is, however, no longer willing to let it to them.

A block of buildings which was formerly used as married quarters for the Royal Artillery
lies close to the station. Several of the rooms are now vacant and at times all are unoccupied.
Certain constables have, therefore, applied for the use of one of these rooms. The Public Works
Department Sub-division officer of Wynaad states that eight sets of rooms are available at a
monthly rental of Rs. 2-8-0 each set.

The set consists of two rooms, one 16½ feet by 11 feet and the other 10 feet by 14 feet and a
cook room. The men say that they cannot afford more than 4 annas a month each. I think that
it is possible that some of these rooms could be secured for the department at a reduced rent and
a certain number of men be allowed to occupy each room. The block contains a sergeant's quarters
at each end and eight privates' quarters with rooms as above.

I drew attention to this matter in 1892 (my letter No. 127, dated 12th March 1892), and I believe
that Mr. Sweet had some correspondence on the subject. With the prospect of the construction
of the railway taking place when this block might be taken as quarters for railway servants, I
think that another effort might be made to obtain it for this department.

Forwarded to the Executive Engineer, Public Works Department, West Coast Division, with
request that he will be kind enough to say whether these buildings might be made over to the
Police Department. Even if they are to be handed over to the Railway (perhaps years hence) it
may be that there would be no harm in allowing the Police to use them interim.

Return is requested.
