

Government in its order, under reference
to a select Committee appointed for the
purpose"

Resolution.

The construction of the
shed referred to may be proceeded
with, as already intimated to the
Collector in reply to his telephone
enquiry on the 21st instant.

2. The scheme for boat basin
Custom house and harbour accom-
modation generally that may be
accepted by the Harbour Committee
appointed under Government Order
No. 7 Invoice dated 9 February 1895
and recommended to Government
cannot possibly be brought to
completion for several years, and
meanwhile the corrugated iron
shed behind the present Custom
house is urgently needed for the
trade of the port and will be
completed, it is hoped, before
the rains set in.

Order thereon 1st May 1895 No. 1735.
