Sanctioned in G.O., No. 710 W., dated 13th Mar. 1894.
For Cannanore sub-division.
For Divisional office.
For South Canara sub-division.
For sweeping the Superintending and Executive Engineers' offices.

For the period 1895-96.

Office-note from the Examiner of Public Works Accounts, dated Madras, 9th May 1895, No. 1686 D.E.

[Your office-note No. 1716 C., dated 2nd May 1895.]

Entries in column "Present scale" have been checked and found correct with the exception that one "Water and Rain Registrar" on Rs. 8 per mensem sanctioned in G.O., No. 710 W., dated 13th March 1894, has been omitted. The necessary addition has been made in red ink.

2. The first two columns of the "proposal statement" left blank have been filled in by this office in red ink.

ORDER—dated 18th May 1895, No. 1184 W., Public Works.

The temporary establishment required for the IV Circle during 1895-96, as detailed in the statement submitted by the Superintending Engineer with his letter recorded above, is sanctioned with the following exception:—

The second clerk on Rs. 15 per mensem for the North Arcot division is disallowed in the absence of satisfactory explanation as to the necessity for the charge. There is already one clerk on Rs. 20 specially provided on account of Tank Restoration Works, and it is not clear why, with this additional aid, the ordinary staff of the Divisional office cannot cope with the extra work.

2. This sanction has been registered as Provincial No. 13 W. of 1895-96 and classified as Establishment, Temporary.

In order with reference to the second clause of para 1 of the Draft Co.

The S. E. states that a second temporary clerk for the N. and S. has been provided on account of the large number of T. R. works in progress. He cannot therefore be said that the necessity for the clerk has not been explained, & the only point for consideration is whether the explanation is sufficient, & whether an extra clerk may be allowed.
