

Judicial Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Proceedings of the Public Works
Department, of 16th March 1895, No. 6314.

Read the following
Letter from the Consulting
Architect to Government, of 13th March
1895, No. 3784.

In returning letter, No. 837,
of the 8th November 1894, from the
Chief Judge of the Court of Small
Causes received with G.O. No. 3128 W.
of 6th December 1894 I have the
honour to report that I inspected the
buildings in company with the
Chief Judge and from what I observed
I consider that the additional
accommodation as well as improvement
to the lighting of the rooms below the
Court is absolutely necessary. I think
however that too much plate glass
in the floor of the Court is required.

B order at
Madras

4. Lixing 1" thick plate glass in
iron frames in the floors of the
