PUBLIC WORKS DEPARTMENT,

DOWLAISHWERAM, 13th May 1895.

SIR,

Referring to P.M.S. No. 829 W. dated 3rd April 1895 I have the honor to inform you that the necessity for the purchase of the Asphalt ^{originally} had been foreseen, and the article was supplied from the Dowlaishweram Workshops.

2. The Executive Engineer Godavari Western Division indented for a further supply of Asphalt as he said the Asphalt supplied from Dowlaishweram was bad.

3. I have seen a specimen of this Asphalt and consider it particularly good.

4. Either the Asphalt must have deteriorated during the time it was in the Godavari Western Div. or else it was condemned by some one who did not know how to use it.

5. I am now in correspondence with the Executive Engineer Godavari Western Division

on the subject-

I have the honor to be,

Sir,

Your most Obedientst

C. Munn

Sup^r Engineer 1st Circle.
