works in water-supply. Construction owing
to amount of water to be dealt with
being uncertain. But it was originally in-
tended to have one Assistant Engineer each
at Tanjore and Trichinopoly, and as there is
only one for both there is a saving going
on of Rs 225 a month in each place at
present. No excess would therefore be due to
increasing Mr Minchin's pay which I trust
Government will consent to.

+ less Rs 150 for
a Supervisor at
Tanjore.

Order dated 17th May 1895, N. 878 L. No.

The proposed increase of Rs 100 in the
salary of Mr Minchin is approved and
will be reported for the sanction of the
Secretary of State.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Again G.O. dated 8th April 1895 N^o. 661 L, requesting the Sanitary Engineer to report whether there will be a sufficient margin from the 15 per cent allowed for contingencies in the estimates for the Tanjore and Trichinopoly waterworks to meet the increase in pay proposed for Mr. Minchin, Assistant Sanitary Engineer.

Read the following:—

From the Sanitary Engineer to Government, dated 10th April 1895 N^o. 1011.

With reference to G.O. dated 8th April 1895,

N^o. 661 L. Mis. Local and Municipal, I have

the honour to inform you that it is not possible to say whether the contingent amounts in the estimate for Trichinopoly and Tanjore or the total estimates may not be exceeded as there are always many unforeseen
