II CIRCLE,

Dated 16 May 1895.

From,

Major W.L.C. Raddely Esquire, R.E.

Superintending Engineer,

II Circle.

To,

The Chief Engineer,
Public Works Department.

Sir,

With reference to para 2 of
G.O. No 1086 W. dated 7th March 1895,
I have the honour to report, that
notifications have been issued in
the Fort Saint George Gazette, in-
viting passed men to take up tem-
porary appointments in this Circle, but
as a rule, passed men will not
come forward.

2. It is difficult to explain why
passed men cannot be obtained, the
reasons probably are that there are
more passed men in the Southern
Districts, that service in the Kistna
is not liked by men belonging to the

that in the Public Works Department,
a temporary appointment, under
an overseer or in any other
of the lower clerical grades, is
not so likely to lead to a per-
manent post, as would be the
case with temporary appoint-
ments in other departments.

I believe that the Executive En-
gineers in this Circle, do all
they can to obtain passed men,
but in the three Kistna Divisions,
the difficulty is exceptional, and
though I regret having to do so,
I am obliged in the interests
of work to apply for the exemp-
tion of a large number of un-
passed men.

I have the honor to be,

Sir,

Your most obedient servant
