No. 764

Office of the Consulting Architect to Govt.,  
Chepauk, Madras,  
22 May 1895.

From

Henry Irwin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department.

Sir,

1 Enclosures.

In returning the letter received with your Memo. No. 150 D dated the 11<sup>th</sup> Instant, I have the honor to state that glazed earthenware pipes cannot be supplied as we have no kilns for glazing but if unglazed pipes will answer similar to those lately supplied to the Executive Engineer Madras Division they can be supplied at once, the stock rate for 12" dia: pipes is 12 rs per running foot and 50 percent added to this will I consider be fair rate for outsiders. Bends & Tees are classed as special & charged at double the above rates.

2. Although pipes of this description are not made in Madras, bricks similar to those turned out at the Government kilns are being manufactured by a private, and sold

sold at about 50 per cent above our stock rates.

I have the honor to be

Sir

Your most obedient servant

Henry Irvine

Consulting Architect  
to Governments.
