I am directed to acknowledge the receipt of the schedule of demands for Imperial Civil Works for the year 1895–96, and, in reply, to communicate the sanction of the Government of India to a provisional grant of Rs. 50,000, for which amount the preliminary issue of the budget estimate should be prepared.

2. The details of the provisional grant are given in the accompanying statement.

ENCLOSURE.

STATEMENT showing details of the provisional grant for expenditure on Imperial Civil Works in Madras during 1895–96.

Head of classification.	Particulars.	Amount.
		RS.
	New Works—	
Postal	Post office at Jeypore, A	5,000
Salt	Restoring cross road connecting Chunampet-Madurántakam road with Merkanam-Tindivanam road, A	4,200
Civil buildings	Lump sum for other works	10,800
	Total, New Works	20,000
Do.	*Repairs*	20,000
	Total, Works and Repairs	40,000
	Establishment and Tools and Plant	10,000
	Total	50,000

ORDER—dated 19th January 1895, No. 141 W., Public Works.

In the letter recorded above, the Government of India has assigned a provisional grant of Rs. 50,000 for expenditure on Imperial Civil Works in Madras during the year 1895–96, and the budget estimate for that year has been prepared accordingly.

2. A provision of Rs. 5,000 has been made for the Post office at Jeypore and this sum will be placed at the disposal of the Agent to the Governor, Vizagapatam, on receipt of the estimate called for in paragraph 2 of G.O., No. 3148 W., dated 8th December 1894, which should be expedited.

3. The estimate for reconstructing the cross road connecting the Chunampet-Madurántakam road with the Merkanam-Tindivanam road, which is reported to

have been received by the Board of Revenue from the Superintending Engineer, V Circle, should be submitted for the sanction of Government. Pending this sanction no outlay should be incurred on the work.

4. The Government of India has provided a lump sum of Rs. 10,800 for "other works," but no information has been afforded as to the particular works for which the grant is intended. It is, however, observed that no allotments have been made for the two works noted in the margin, the inclusion of which in the schedule was ordered by the Government of India in the Revenue Department. A reference on the subject will be made to that Government.

Meteorological Observatory building at Kodaikánal.
Residence for the Superintendent at Kodaikánal.

5. The control of grants for minor works under Postal and Telegraph being vested in the Directors-General of Post Offices and Telegraphs respectively, Superintending Engineers and the Consulting Architect will apply direct to those officers for funds required for incomplete and new works under the heads in question.

6. Part II of the budget contains the distribution by divisions of the grants for Postal and Telegraph repairs.

7. The allotments applied for by the Chief Engineer, Military Works, Madras Command, for repairs to the Postal and Telegraph buildings at Bangalore have been included in the budget estimate and will be placed at the disposal of that officer on receipt of the final orders of the Government of India on the budget estimate.

8. The difference between the budget and the revised estimate of charges for 1894–95 is due to the following causes :—

(*a*) Allotments for minor works subsequently sanctioned by the Directors-General of Post Offices and Telegraphs.

(*b*) Surrender to the Government of India of the grant for constructing a dam across the Valavanar in the Tanjore district.

(*c*) Transfer to the Military Works Department of the grant for repairs to the Postal and Telegraph buildings at Bangalore.

9. With these remarks, the preliminary issue of the Imperial Civil Works budget estimate for 1895–96 will be printed and circulated to the officers concerned for information and guidance and four copies will be forwarded to the Government of India, Public Works Department.

FROM

THE DIRECTOR GENERAL OF TELEGRAPHS,

TO

THE SECRETARY TO THE GOVERNMENT OF Madras

Public Works Department.

Calcutta, the 12th of October 1893.

Sir,

I have the honour to forward an extract of that portion relating to Madras of my annual schedule of requirements for original Telegraph Department building works for 1894-95 and to request that a similar provision may be made in the Provincial Schedule.

2 As you will observe, I have, as usual, made no provision for Repairs.

I have the honour to be,
Sir,
Your most obedient Servant.

C. H. Reynolds

Offg. Deputy Director General
for Director General of Telegraphs.

Assistant Secretary

Proceedings of the Board of Revenue

(Separate Revenue),

Dated 5th September 1893.

No. 3534 this

Resolution

The Board beg to submit herewith a statement showing the Salt works proposed for entry in the Public works Budget C Statement for 1894-95.

2. The last of the works shown in the statement is the one sanctioned in G.O. 2282 W and referred to in para 5 of G.O. 2952 W dated 6-2-93

first work, Government has already ordered the Superintending Engineer, No I Circle, to expedite the Plans and Estimates (Vide G.O. 1973 W 28-7-93) meanwhile the approximate cost Rs 56,600 reported by him in his letter disposed of in G.O. 821 I 24-10-91 has been adopted

Assistant Secretary

Pattah bille No 699 D 15/8/93 sent to Ex 16/11/93

adopted by the Board. From G.O
2637 Mis / 15-7-93 Revenue it would appear
that Government has already
addressed the Government of
India for a special allotment
of funds for this work to be
executed during the current
official year. If the Government
of India should sanction the
special allotment and the Estimates
and plans should be received and
sanctioned by Government
sufficiently early in the current
official year, so as to admit
of the work being completed
within the close of 93-94, the
provision now made by the
Board will be unnecessary.

No. of Enclosures

Sir,

Referring to the Resolution of the Government of India in the Public Works Department No. 422-39 A. G., dated the 7th August 1893, I have the honour to inform you that no postal major works are proposed for execution during the year 1894-95 in Madras (including Mysore) and that no provision need, therefore, be made for such works in the Provincial Schedule for next year.

2. In the general schedule of postal

Public

Public works submitted by this office to the Government of India a sum of Rs 10,000 will be shown as the probable requirements of this Department for Minor works in Madras (including Mysore) for the year 1894-95.

No. 5845 dated 19 September 1894
do Government of India P.W.D No. 5 acw. of 7 January '95

In the letter recorded above, the Government of India has assigned a provisional grant of Rs 50,000 for expenditure on Imperial Civil Works in Madras during the year 1895-96, and the budget estimate for that year has been prepared accordingly.

W
18 Jan

2. A

2. A provision of Rs 5,000 has been made for the Post office at Jeypore and this sum will be placed at the disposal of the Agent to the Governor, Vizagapatam, on receipt of the estimate called for in para 2 of Go. No. 3148 W dated 8 December 1894, which should be expedited.

3. The estimate for reconstructing the cross road connecting the Chu-rampet-Maduranthakam road with the Merkanam-Tindivanam road which is reported to have been received by the Board of Revenue from the Superintending Engineer 1st circle should be submitted for the sanction of Govern-ment. Pending this sanction, no outlay should be incurred on the work.

The Government of

12 P

Meteorological Observatory building at Kodaikanal
Residence for the Superintendent at Kodaikanal.

India has provided a lump sum of Rs 10,800 for "other works", but no infor-mation has been afforded as to the particular works for which the grant is intended. It is, however, observed that no allot-ments have been made for the two works noted in the margin, the inclusion of which in the schedule was ordered by the Govern-ment of India in the Revenue Department. A reference on the subject will be made to that Government.

5. The control of grants for minor works under Postal and Telegraph being vested in the Directors General of Post offices and Telegraphs respectively, Superintending Engineers and the Consulting Architect will apply direct to those officers for funds required for incomplete and

and new works under the heads in question.

2. La of su de ls pe c r. 18 es 3. p p

6. Part II of the budget contains the distribution by Divisions of the grants for Postal and Telegraph Repairs.

7. The allotments applied for by the Chief Engineer, Military Works, Madras Command, for repairs to the Postal and Telegraph buildings at Bangalore have been included in the budget estimate and will be placed at the disposal of that officer on receipt of the final orders of the Government of India on the budget estimate.

8. The difference between the budget and the re-vised estimate of charges for 1894-95 is due to the following causes:—

(a) Allotments for minor works subsequently sanctioned by the Directors General of Post offices and Telegraphs

(b) Surrender to the Government of India of the grant for constructing a dam across the Valavanar in the Tanjore District.

(c) Transfer to the Military Works Department of the grant for repairs to the Postal and Telegraph Buildings at Bangalore.

9. With these remarks, the preliminary issue of the Imperial Civil Works budget estimate for 1895-96 will be printed and circulated to the officers concerned for information and guidance and four copies will be forwarded to the Government of India, P. W. Department.
