17TH JUNE 1895, No. 1464 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From the Executive Engineer, Kistna Eastern Division, to the Superintending Engineer, II Circle, dated 31st October 1894, No. 3601.

With reference to your endorsement No. 1618 K.S., dated 16th instant, on Proceedings of Madras Government, No. 2493 W., dated 9th idem, directing that the old jailor's quarters at Masulipatam occupied by the Reserve Inspector of Police should be retained on the books of the Public Works Department for maintenance and will be included in the Capital and Revenue accounts, I have the honour to forward herewith a statement showing the capital cost of the building and other data required for arriving the rent per month of Rs. 9, and to request that you will be good enough to obtain sanction of Government for the same.

No. 1859 K.S.

Forwarded to the Chief Engineer, Public Works Department, with reference to Examiner's office-note No. 3870 C., dated 21st September 1894, printed in G.O. No. 2493 W., dated 9th October 1894, for sanction of Government being obtained for the rent of Rs. 9 arrived at as per statement of calculation of rent sent herewith for the jailor's quarters at Masulipatam now occupied by the Reserve Police Inspector.

(Signed) W. L. C. BADDELEY, Major, R.E.,
Superintending Engineer, II Circle.
12th November 1894.

Office-note from the Examiner, Public Works Accounts, dated 10th December 1894, No. 4845 D./A.

Checked and returned.

2. The Executive Engineer remarks, at foot of the data statement, that no repairs were carried out by the Public Works Department. He has apparently lost sight of the expenditure of Rs. 960 in 1893-94, when the building was put into a thorough state of repair.

3. If the above expenditure represents cost of improvements, the same should be added to the capital cost, or if any portion of the building was reconstructed, the capital cost should be debited with the increased value due to the improvements (see G.O., No. 2403 W. of 8th September 1891).

No. 4026 C.

Referred back to the Superintending Engineer, II Circle, for remarks with reference to the Examiner's note, and for revision of the statement if necessary.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Chief Engineer, P.W.D.
12th December 1894.

From the Executive Engineer, Kistna Eastern Division, to the Superintending Engineer, II Circle, dated 15th April 1895, No. 238.

I have the honour to return herewith your endorsement No. 2169 K.S., dated 17th December 1894, regarding the revised data for the calculation of rent for the portion of the old jail building at Masulipatam occupied as residence by the Reserve Police Inspector.

2. The data has been revised and forwarded herewith. Out of the expenditure of Rs. 960 incurred in 1893-94 for putting the building in thorough repair, Rs. 186 is found debitable to the capital cost of the building being the difference between the cost of junglewood rafters and reepers removed and replaced by teak rafters and reepers.

Office-note from the Examiner of Public Works Accounts, dated Madras, 10th June 1895, No. 2041 D./A.

[Your office-note No. 1765 C., dated 8th May 1895.]

On a reference made to the Executive Engineer, Kistna Eastern Division, that officer states that Rs. 774 (being the balance of the outlay of Rs. 960 incurred in 1893-94—vide note at foot of the data statement) was for ordinary repairs, such as plastering, tiling, &c., and that the building was not previously repaired for eight years. The amount may therefore be taken as the average cost of repairs for eight years. The monthly rate of rent will then be Rs. 14, made up as follows:—

(1) Cost of construction	...	...	...	...	...	Rs. 1,362
(2) Outlay in 1893-94 (vide note at foot of data statement)	...	...	...	...	...	186
(3) 10 per cent. on (2) above	...	...	...	...	...	19
(4) Cost of site	...	...	...	...	...	47
Capital cost	...	...	...	...	...	1,614
(5) Four per cent. on capital cost	...	...	...	...	...	64.56
(6) Actual average cost of repairs, viz., Rs. 774-8-0	...	...	...	...	...	96.75
(7) 10 per cent. on (6) above	...	...	...	...	...	9.675
Total	...	...	...	...	...	170.985
Rent per mensem	...	...	...	...	...	14.249
or Rs. 14.	...	...	...	...	...	

2. As the salary of the occupant is Rs. 100 per mensem, he can only be charged Rs. 10, that is, 10 per cent. of his salary (vide Code I. X. 28, II).

ORDER—dated 17th June 1895, No. 1464 W., Public Works.

The statement corrected in accordance with the Examiner's note of 10th June 1895 is approved.
