No. 30/0
Copy of letter from the Executive Engineer Negapatam
Division to the Examiner P.W. Accounts Madras 7:36 Ex
4/1st May 1895 -

In forwarding herewith a revised bill for "Constructing
Police huts at Needamangalam" called for in item 12 of
Audit note on the accounts for February 1895, I beg to
inform you that, on account of certain works that were
found necessary to be rectified after the final bill was
paid, the recovery had to be made from the deposit amount
due to the contractor. The Contractor is now objecting
to the procedure adopted, and would not affix his
signature to the revised bill.

Under the circumstances, I fear the bill has only
to be recorded as it stands without the Contractor's
signature for the present.

From - J. S. Sherlock - Hulehard Esqre:

Examiner of P. W. Accounts, Madras.

To - The Supg. Engineer & Circle

Sir,

I have the honour to forward herewith Copy of a letter from the Executive Engineer, Negapatam Division, N^o 36 Ex, d/1st May 1895 together with copy of a revised final contract certificate of Contractor Punjeet Singh. The accounts of this Contractor were closed, and he was fully paid on a final Contract Certificate as far back as March 1893 by the then Executive Engineer Mr. Subrayachariar; the work so passed was, however, subsequently found ^{to be} defective by the present Executive Engineer, who got the defective work rectified by employing another Contractor Sasha Syngar in August 1894, a sum of Rs 185. 6-7 being expended on this account, which has been recovered by the Executive Engineer from the deposit of the Contractor Punjeet Singh and credited to work in February 1895.

2. Necessary action is being taken by me in regard to the proper procedure which should have been followed in accounting for the transaction and the case is simply brought to your notice for any action you may deem necessary in regard to the fact that bad work was passed and paid for upon a duly certified final bill and that the defective work does not appear to have been detected until 17 months afterwards.

Sir,

With reference to your No 47 of 1st
February 1895, I have the honor to inform
you that the work of "Constructing 4 cells in
the District Jail at Calicut," Estimate
Rs 9,280, was completed in the year 1889-90
with an outlay of Rs 9,764-3-3 and a
Completion Report was submitted to the
Examiner of P.W. Accounts, Madras, on
the 22nd August 1891, as No 226. Again in
the accounts for October 1893 an additional
outlay of Rs 61-14- was incurred on account
of Compensation for land adjusted through
the Civil Exchange account Item: so the

total outlay on the work amounted to Rs 9826-1-3,
for which a Completion Report is sent to the
Examiner, the same having been included
in the Completion statement for March 1895.
Thus the total excess comes to Rs 546.

2. As the item is being entered in the
Provincial Objectionable Items Statement
month after month for want of sanction
of Government, I have the honor to request
that you will be good enough to obtain the
requisite sanction to pass the excess outlay
in question, so that the item may be re-
moved and omitted from the future
Objectionable Items Statements.

I have &c.
