OFFICE OF THE CONSULTING ARCHITECT
TO THE GOVERNMENT OF MADRAS,

No.

Chepak, _____ 189 .

COPY of a communication from the E Turner Esqre Ag Collector
of Sea Customs Madras to the Consulting Architect
to Government, No. 888 dated 25th February 1895.

With reference to your letter No 3393, of
11th February 1895, I have the honor to state
that, owing to extra accommodation having
to be provided for the increased staff
necessary for carrying out the new tariff
portions of the lower story of the Customs
buildings hitherto used as godowns &c
have had to be altered, as you are
aware, to provide office accommodation,
and punkahs have been asked for to complete
them. The fittings which are therefore required
for what are virtually new offices should,
I think, be provided by your Department
and not from the permanent advance of
this office which is small and just sufficient
to meet office contingencies. I shall there-
fore feel obliged by your reconsidering
the matter and supplying what is necessary.
The Estimate is returned countersigned
(True copy).
