September & No. 3156 W, dated 8th December 1894,
sanctioning the employment of a Surveyor
on Rs 95 per mensem on the Bhavani Reservoir
Project for six months, I have the honor to for-
ward herewith a proposition statement for
the continued employment of the Surveyor
for 9 months or up to 30th November next and
to request you will be good enough to obtain
the sanction of Government to the same.

2. In my Inspection Notes for November
last I detailed the work done up to date.
Since then about 60 miles of levelling along
line of proposed channel has been done
besides cross sections. The progress has
been slow owing to the difficult nature
of country - High standing crops & prickly pears.
