that when I received orders in the matter,
I should communicate with them. in this matter.
Now it seems they are most anxious to get
the house off their hands and willing to sell any
one in the event of Government not purchasing.
It would be a great pity if a house of this
kind was allowed to go out of the Department
after having been occupied by the Police for
so many years. Moreover, there is not another
house in the place available suitable for a
European and as the Police office is at present
in this compound, if the house were sold to
some one else, another office would have
to be found. I request you will be good
enough to address Government in the
matter with a view to the purchase of the
house. I have replied to the letter from
Munshi Abdul Aziz that I have received
no orders as yet, but requested him to
stop negotiations for the sale to others
until I can give him definite orders.

Sir,

I have the honor to report having
received a letter (copy of which is enclosed)
from one of the owners of the bungalow I
now occupy. Some time ago I addressed you
regarding the purchase of the bungalow
and in February last received a wire from
you asking me if there was any likelihood
of my being turned out at once and, if not,
whether I could occupy at present rental.
I replied that I did not think there was
any likelihood and I could in all pro-
-bability occupy at present rental. The
owners of the house have asked me on
several occasions whether Government
have agreed to purchase and I replied
that

Most Honored Sir,

With reference to your honor's letter No. 101, dated 21 February 1895, I most respectfully beg to inform your honor that all members of our family expected that Government would sanction the purchase of our Bungalow at the commencement of official year 1894-95. No order seems to have been as yet communicated to your honor on the subject. Under these circumstances we presume that the Government is not prepared to sanction its purchase. We therefore, request your permission to sell it to some other merchant.

I beg to remain Sir

to lose this excellent house, which we most certainly shall do unless immediate steps are taken to purchase it on behalf of Government. The price asked (Rs 10,000) is, I believe, very low and no better investment could be made by Government.

If we lose this house, the Assistant Superintendent will be without a house to live in and without an office.

With reference to my letter, dated 11th February 1895, No. 434, regarding the bungalow occupied by the Assistant Superintendent at Nareapur, Coimbatore District, I have the honor to forward copy of a letter from the Assistant Superintendent of Police with the Superintendent's endorsement thereon, dated 19th May 1895.

2. It will be seen that the District officers now fear that the bungalow may be lost if not now purchased by Government. I saw Mr. Luckington the other day here and asked him about the matter. He said that though at present know of any likely purchaser, yet that it was probable that some mission agency might buy the bungalow.

bungalow, if not shortly purchased by
Government. He thought that the owners
wanted the purchase money badly
and would embrace the first opportunity
for sale that offered itself. I think
therefore that the Government should,
possible, purchase the bungalow
without delay.
