OFFICE NOTE No. 2088A.

To

W.

The Executive Engineer, South Arcot Division, has forwarded to me an application for two years furlough, on behalf of M.R.Ry.V.RagavendraChar, Accountant, 5th. Grade, with effect from 15th July 1895 or such subsequent date as he may be relieved of his duties.

2. The certificate prescribed in P.W. Code volume I, chapter IV, para 20, has not been forwarded by the Executive Engineer; but under C.S.R. articles 371 and 377, the accountant is eligible to furlough only up to 5th. November 1896, the date on which he will complete the age of 55 years.

3. The work of this accountant has latterly not been quite satisfactory, due apparently to advancing years. I beg therefore to recommend that he be granted furlough only up to 5th. November 1896.

Sanctioned, as recommended, in para 3.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras, of 17th January 1895, No. 394.

The Headmaster, Govt. Muhammadan Branch Training School, Triplicane, reports that the pupils are exposed to the sun and rain owing to the school house consisting of his open sheds. Verandas should be constructed on all sides of the building. Moreover the carpentry shed has to be converted into a much needed tiffin shed and other improvements have to be made. I have the honour to request that the Consulting Architect be instructed to prepare the necessary plan and estimate.

From the same office, of 18th May 1895, No. 5881.
