ORDER—dated 17th May 1893, No. 1328 W., Public Works.

The orders issued in G.O., No. 1233 W., dated 28th April 1890, should be taken as superseded by G.O., No. 840 W., dated 28th March 1893. The incidence of the charges incurred in the employment of watchmen for rest-houses will accordingly be governed by para. 67, chapter VII of the Public Works Code; but as it is desirable that charges for watchmen for buildings and stores should be subject to careful scrutiny, all proposals for the employment of such men should be submitted for the sanction of Government.

No. 557 S

From

C. J. Ussher Esq
Executive Engineer

Godavari Eastern Division.

To

The Superintending Engineer

1st. Circle.

Sir,

I have the honor to inform you that the
building till recently used as a Police station
at Pittapur is in a very dilapidated condition & the
Sub-D. Officer considers that the building should be
dismantled and materials sold off at once. In
this opinion I concur. It was originally propo-
sed to dismantle the building and build a
new Police station on the same site, but, after
some materials had been collected for the work
it was decided that the site was unsuitable, &
there has been considerable delay in the
Police Department in selecting the new site.
It has now been decided to build the
station house in the compound of the Taluk
Siddar's Cutcherry and work is about to be
commenced. The site of the old building
being in the centre of the town is a valuable
one and as it is not likely at any time
to be required for a Government building
I would suggest that it should be sold.
