Read—the following paper:—

From C. H. T. NORFOR, Esq., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Gurramkonda, 14th June 1895, No. 21 C.

I have the honour to forward, for favour of sanction, an estimate amounting to Rs. 1,620 for tents required for the Kurnool division.

2. With reference to the staff officer's tent No. 2, included in the estimate, the Executive Engineer, Kurnool Division, states that Mr. Clay, for whom the special indent is made, brings to notice that the tent is lighter, cheaper and more easily pitched than a hill tent, and, as Mr. Clay is provided with only one lascar, this deviation from the sanctioned scale (G.O. No. 270 W., dated 30th January 1894) is recommended.

The rates allowed in the estimate are not in accordance with those for which tents can be obtained from the Vellore Jail (Go. No. 2740 W dt 26.10.94), but the total cost of the estimate is much less than the amount worked up to at the Vellore Jail rates. Kindly see the calculations noted in pencil on the margin of the detailed estimate.

The estimate can therefore be passed.

A draft is put up for approval.
