Sir,

dated 24 July 1894 I ~~was~~
~~directed to invite~~ ^{was invited} the attention
of the Government of India

2. In your letter No: 1284 G
dated 3 May 1895 it is stated
that the general question
as to the amount of acting

admissible in such cases
is under consideration, and
that if considered necessary
the particular case brought
forward in my letter already
quoted should be submitted.

for special orders

(1) On the 24th June '94 Mr. J. W. H. Ellis, Sub Engineer 1st grade, was placed in charge of the P. W. Stores & Workshop Division. The following are the rates of pay and allowances which he drew as Sub Divisional Officer in the Consulting Architects Division prior to his transfer to the Divisional charge which he still holds:—

It may be added that Mr. Ellis is acting in a long leave vacancy in which promotion to Executive Engineer 3rd grade temporary is admissible, but that such promotion was not given to him as under existing rules he would have derived no pecuniary benefit from it.

(2) The next case is that of Mr. W. V. Baker, Sub Engineer 1st grade, who held Divisional charge in private leave vacancies on three separate occasions, viz

- (i) from 23rd April '93 to 17th June '93

The pay and allowances actually drawn by Mr Legge were as follows:—

Officiating allowance for the first 30 days ^{of privilege leave vacancies} } 56:4:

The pay and allowances admissible under the old rules would have been as follows:—

3.4. I am to suggest that in all these cases, acting allowances may be passed in accordance with the rates admissible prior to the introduction of the ruling contained in the resolution of the Govt of India quoted in paragraph 1 above.
