Sir,

In submitting herewith a sketch of the old hospital buildings & site in Kollegal, I have the honor to state as follows:—

The buildings consist of a main building for dispensary, a male and female wards for inpatients a kitchen, a latrine and a Dead-well which seem to have been constructed at the cost of local funds for 3000 rupees before the formation of the Taluk Board. Besides these there exist a general ward for Police patients, a mortuary shed and a cattle pound. [illegible]

latrine which seem to have been lately constructed in the compound of the local fund hospital. An estimate has been sent to the district magistrate on the magisterial side for the removal of post-mortem shed near the Mussulman burial ground which is just behind the compound of the new hospital.

The Superintendent of Police has been requested to remove the police lands to the new hospital compound.

This Taluk Board proposed in the budget of 1891-92 to construct a new hospital building owing to the dampness of the locality and to the dilapidated condition of the buildings under reference. The new building was completed in 92-93. It was also proposed to sell the buildings and site of the old hospital. The sale proceeds were estimated at Rs 1000 which was approved in G.O. No 684 dy 17-3-91 in sanctioning the budget of 1st Mad. and the same

figure has been repeated in the current year's budget. The sale was not effected then as the buildings were occupied by all the local fund officers here. The new ~~hospital~~ Local fund office buildings at Mollegal for which provision was made in the revised budget for 93-94 will be completed within this year. I have therefore to request you will be good enough to obtain the sanction of Government for the sale of the property of the Taluk Board, which excludes imperial constructions or conditions that the possession of the site wherein imperial buildings stand, will not be made until they are removed or otherwise disposed of.

Copy of the Taluk Board's resolution sanctioning the sale is herewith submitted.
