

No 1584 W. dated 27th June 1895

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Proceedings of Govt. in the Marine Deptt No 144 of 24 May 1895

The estimate of Rs 1,500 for the construction of a compound wall and latrine in connection with the Cuddalore Flag staff, is returned to the Superintending Engineer, I circle, for sanction, ^{subject to} ~~with~~ the following remarks:

(a) The construction of a compound wall ^{not} having ~~not~~ been approved by the Marine Deptt. the provision made in the estimate for ^{the same} ~~which~~ has been expunged.

(b) The estimate for the latrine has been altered so as to provide

provide an additional wall in lieu of the compound now disallowed. This has necessitated an increase of Rs 60.

2. The work will be executed on funds as shown below, being made available by the Financial Department:-

Works	Rs 210
Establishment	48
Tools and Plant	3
Total	Rs 261

and built by 2 compartments each 10' x 8' as shown in the site plan, with screen walls 4' 6" in length at the entrances.

The walls of the latrine are to be raised 5 feet and built of brick in chumam over a concrete bed of 2' 6" square, and the surface of walls plastered with one coat of chumam. The floor is to be of concrete 9 inches thick, and the latrine provided with seat platform 2 feet wide raised 9 inches above floor level.

The following rates are in excess of the Disposal schedule but data lists have been submitted in support of them.

Concrete	Rs 15.50	against Rs 14.00
Galvan door	1.20	- do - 1.00
rick in chumam	16.70	- do - 15.00

The estimate has been counter-signed by the Presidency Port Officer and the Marine Dept. only approval of the construction of the latrine and not the compound wall, and suggest that a hedge of Kori-kapillai should be planted & maintained by the Signaller & the light keepers.

The estimate has been accorded, being altered in pencil & the amount reduced from Rs 1500 to Rs 210 by omitting the amount for compound wall and providing an additional wall for the latrine open plan.

Letter No. 144

Dated 22 May 1895

From the Marine Department

NOTE BY TECHNICAL SECTION.

Name of work Constructing a compound wall & latrine at the Flag staff at Cuddalore. South Arcot District.
Amount of estimate Rs 1500.

The plans and estimate under review provide for constructing a compound wall on three sides of the Flag staff, at Cuddalore, and a latrine within.

The amount of the estimate is made up as follows:

Compound wall	Rs 1350
Latrine	150
Total estimate	Rs 1500

The nature of the surface & sub soil is reported to be sandy.

The compound wall is to be 626 feet long and 5 feet high, built of brick in chumam over a bed of concrete foundations 2'6" wide and 2 feet deep & the walls plastered with one coat of chumam.

The latrine is to be an open one, measuring 23'9" long & 10'6" wide, external dimensions.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Presidency Post Office, Madras, of 23rd April 1895, No. 1414. G, forwarding, for sanction, an estimate of Rs 1500 for constructing a compound wall and latrine in connection with the Cuddalore Light.

Order:— 24th May 1895, No. 144.

The latrine is needed and its construction is approved but the compound wall does not seem to be essential and the Government is not prepared to sanction any expenditure on it. The Signaller and Light Keeper can, no doubt, spare the time to plant and maintain a Korakpallai hedge around the premises. They should be instructed to do so.

Office of the Consulting Architect to Govt.
Chepauk, Madras.
10 June 1895.

From

Henry Irwin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras.

To

The Chief Engineer
Public Works Department.

Sir,

3 Enclosures.

I have the honor to submit a
plan and estimate & site plan for the Portico
Memorial fountain & cattle trough to be
erected opposite the office of the Inspector
General of Police at Madras. I prepared the
the plans & estimate after verbally requesting
your permission to do so. I now request
permission to superintend the construction
of the work from funds to be placed at my
disposal and ask that the usual percentage
charges for establishments tools & plant may
be waived in the present instance considering
the nature of the work.

I have the honor to be

Sir
Your most obedient servant

Henry Irwin

Consulting Architect
to Government

Public Works Department.
