W. ACCOUNTS

SIR,

The Executive Engineer P.W. Department Division brings to notice that great difficulty is experienced in procuring house accommodation at Ponnéri and that the house which the Overseer now in charge of the taluk occupies being hardly sufficient for himself, it is not possible for him to hold his office in the same building.

I have therefore the honour to request that sanction may be accorded to the hiring of a room elsewhere at Rs 1½ per mensem for the accommodation of the taluk Overseer's office. It is reported that the predecessors of the present taluk Overseer used to hire in a bungalow which is not now available for hire, the landlord having since occupied it.

I have the honour to be

Sir

your most obedt. Servt.
