3. From P.W.D. Code, volume I, chapter III, para 123, it will be seen that Examiners

"are bound rigorously to act on those rules without admitting of any exception; and, in cases of doubt, references as to the construction of the rules should be made to the Government of India, through the Accountant General P.W. Department; or when the rules are contained in the C.S.R., through the Local Government".

4. If you prefer it I will ask the Accountant General, whether I can write off the amount under Code I, III, 121; but on a previous occasion that officer informed me that the power there given to Examiners to write off irrecoverable sums should not be exercised "where the matter can be regularized by sanction".

It is not the smallness of the amount that makes the trouble, and it would be infinitely simpler for me to accept the sanction of the Local Govt. to write it off. The difficulty is that the payment was made to a man who had ceased to belong to Government employ, and there is no rule under which it can be covered.

2. In a somewhat similar case (vide G.O. No. 3170 W. dated 6th. December 1893) sanction of the Government of India was obtained, as a special case, to regularize a payment of actual expenses to a clerk which was "inadmissible under existing rules"; and I may mention that only a few years ago I had, under orders from the Accountant General P.W.D., to refund a sum of over Rs. 30 which I had passed under a very excusable misinterpretation of C.S.R. article II85.

To,

The Chief Engineer

Sir,

In reference to your No. 193 C of 18th January 1895 I have the honour to inform you that Pon Maliappa who was transferred from your office to the II Circle, has resigned his appointment, in order to avoid being dismissed for drunkenness. As the man is a native of Madras and unable to speak Telugu, the En Engineer Kistna Northern D^o allowed him his railway fare to Madras Rs 4.15.0 and in the special circumstances of the case. I beg that the sanction of Government may be obtained for this expenditure.

I have the honour to be,

his appointment, and as he was a native of Madras and unable to speak the language (Telugu) of the Kistna District the Executive Engineer allowed him his return railway fare viz Rs 4.15.0. The Engineer P. W. Accounts considering that as the man ceased to be in Government employ prior to the payment of the amount, he is precluded from passing the charge - and that the sanction of the Government of India is necessary, notwithstanding the smallness of the sum involved. I am accordingly

request that the requisite sanction may, under the circumstances, be obtained.
