READ—the following papers:—

From C. H. T. NORFOR, Esq., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 15th April 1895, No. 164.

I have the honour to request that you will be good enough to omit from the final issue of the Civil Works budget for 1895-96, item No. 24, under Part I, class B works, as an estimate amounting to Rs. 1,630 for alterations to taluk office to provide accommodation for the Stationary Sub-Magistrate has been sanctioned by me.

From the Executive Engineer, Bellary Division, to the Superintending Engineer, III Circle, dated Bellary, 13th May 1895, No. 2164.

With reference to your No. 334, dated 4th instant, I have the honour to state that, as the work referred to has been sanctioned under "repairs," the expenditure will be met from the lump sum grant allotted under Provincial repairs. A separate allotment is not therefore required.

No. 578.

Copy forwarded to the Chief Engineer, Public Works Department, with reference to his memo. No. 45 D., dated 23rd April 1895.

BELLARY,
23rd May 1895.

(Signed) C. H. T. NORFOR,
Superintending Engineer, III Circle.

From C. H. T. NORFOR, Esq., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 2nd July 1895, No. 998.

With reference to your memo. No. 258 D., dated 29th May 1895, I have the honour to inform you that the Executive Engineer, Bellary Division, states that the work "improvements to the taluk office at Bellary" was inadvertently classed under "repairs" which has now been corrected to "original works."

2. An allotment of funds for this work is not necessary, as the lump sum grant for the division, viz., Rs. 5,000 for Minor Original works, is enough for the requirements of the division including this work.

ORDER—dated 8th July 1895, No. 1668 W., Public Works.

The work will, under the circumstances explained, be eliminated from the budget estimate for 1895-96, class B.
