

24TH JUNE 1895, No. 518, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Colonel P. J. MAITLAND, Deputy Secretary to the Government of India, Military Department, to the Chief Secretary to the Government of Madras, dated Simla, 6th June 1895, No. 1678-B.

I am directed to state, for the information of the Governor in Council, that the Government of India have decided that when money grants are made to Volunteer Corps to enable them to provide head-quarters, armouries, magazines, Sergeant-Instructors' quarters, &c., such grants shall be made on the following conditions :—

- I.—That any buildings so provided shall be maintained entirely at the expense of the corps.
- II.—That in the event of a corps ceasing to exist, or wishing for any reason to dispose of the building, the Government of India shall retain a lien on it to the extent of the grant made.
- III.—That when grants are made to provide Sergeant-Instructors' quarters, wholly or partially, compensation in lieu of quarters will not be allowed for the Instructors.

2. I am to request, with reference to Condition III, that the decision may be clearly explained to Volunteer Corps, so that when applying for grants from Government to provide Sergeant-Instructors' quarters, they will state in their applications that they understand that any grants given for the purpose will involve the loss of house-rent for the Instructor payable under paragraphs 166-167 of Army Regulations, India, Vol. IX.

3. As regards grants already made, the conditions upon which they were made will not be interfered with; but in any new cases of applications by corps for compensation in lieu of quarters for Sergeant-Instructors occupying buildings which were built wholly or in part out of funds granted by Government, the fact of such grant having been made, and the conditions attending it, will be taken into consideration by Government.

4. The above decisions will be included in Army Regulations, India, Vol. IX.

Copy forwarded to . . . the Controller of Military Accounts, Madras Command.

ORDER—dated 24th June 1895, No. 518, Public.

Communicated to the Lieutenant-General Commanding the Forces, with the request that the decision may be made known to all Volunteer Corps.

BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 30TH MAY 1895, No. 141.

### PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from F. A. NICHOLSON, Esq., Collector of Anantapur, to the Secretary to the Commissioner of Revenue Settlement, Land Records and Agriculture, dated Anantapur, 9th May 1895, No. 1202:—

With reference to Board's Proceedings, Nos. 548 and 2180, Mis., dated 4th February 1895 and 29th April 1895, respectively, I have the honour to submit herewith the programme of famine-relief works for 1895-96 in forms A, B and C prescribed in Board's Proceedings, No. 411, dated 7th June 1892.

2. As the population of each of the Dharmavaram and the recently constituted Kalyandrug taluks is not known, approximate figures at 60,000 for each taluk have been adopted for the present, the total population of the old Dharmavaram taluk being 119,000 in round figure.

3. Necessary steps will be taken to include in the programme more estimates sanctioned under the large works and to make the programme (especially in the case of the Dharmavaram, Kalyandrug and Penukonda taluks) complete in all respects during the next official year.

4. The delay in submitting the programme is due to the late receipt of Kalyandrug returns from the Dharmavaram Tahsildar and also to the non-receipt till now of information promised by the Chairman, Municipal Council, in respect of a road proposed by the council from the Anantapur town to the railway station.

RESOLUTION—dated 30th May 1895, No. 141.

The abstract of the programme of famine-relief works for 1895-96 received from the Collector of Anantapur will be submitted for the information of Government.

2. The programme contains provision for the construction of a new irrigation work \* at a cost of 41 lakh and repairs to existing works 2.64 lakhs, for the construction of about 60 miles of new roads to cost 87 lakh and repairs to old roads 7.18 lakhs, and for other miscellaneous works to cost 97 lakh. The last item includes a sum of Rs. 10,000 for the improvement of the drinking-water supply in the taluks of Gooty, Tadpatri and Penukonda, and of Rs. 69,000 for land improvements to be carried out by the aid of State loans. The total provision amounts to Rs. 12,05,729 and the works are estimated to be sufficient to provide employment for three months for 23 per cent. of the population of the district. The provision made is adequate, except in the taluks of Dharmavaram and Penukonda in which the provision would suffice for only 19 and 16 per cent. of the population, respectively.

3. Estimates are reported to be ready for works to cost 6.28 lakhs or 55 per cent. of the total provision, excluding the provision made for land improvements, for which detailed estimates are not required.

4. *Statement A.*—(a) Columns 3 and 4 of this form should have been subdivided into “sanctioned” and “not sanctioned” as directed in paragraph 2 of B.P., No. 360, dated 6th September 1894, and the different classes of large works should have been entered in the appropriate columns. The required information has been given by the Collector in column 2 of the form, but not clearly.

(b) In the Hindupur taluk, a sum of Rs. 10,876 is provided under the head “large works” for repairing four small irrigation works, and the entry is repeated in statement C; but while the works are shown as “sanctioned” works in statement A, they are shown in statement C as “not sanctioned.” The discrepancies should be explained.

*Statement B.*—It is observed that no provision has been made for the repair of any of the irrigation works in charge of the Public Works Department which are out of repair in the Gooty and Madaksira taluks, whilst provision has only been made for the repair of a few of such works in the Penukonda and Hindupur taluks.

*Statement C.*—(a) The figures 3,909 and 2,490 entered in column 5 of this statement against “small works” in the Anantapur and the Tadpatri taluks should be 3,969 and 2,496, respectively.

(b) The total amount of the “Miscellaneous works” in the Gooty taluk is Rs. 47,806 and not Rs. 40,906 as entered in column 23 of the statement. Again, in the Dharmavaram taluk, the total cost of the works for which detailed estimates are ready is Rs. 55,325 and not Rs. 54,315. The necessary corrections have been made in the copy of the statement submitted to the Board. They should now be carried out in the Collector’s office copy.

(True Copy and Extract.)

(Signed) P. RAJARATNA MUDALIAR,  
Secretary.

To the Secretary to Government, Revenue Department,  
Collector of Anantapur.

Exd. Shaik Karim.

APPENDIX.  
ABSTRACT Programme of Famine-relief works in the Anantapur District for the year 1895-96.

Printed June 15th.

Proceedings, 30th May 1895, No. 141.

Famine-relief works for 1895-96.—Reviewing  
the programme of — received from the Collector  
of Anantapur.

24TH JUNE 1895, No. 518, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Colonel P. J. MAITLAND, Deputy Secretary to the Government of India,  
Military Department, to the Chief Secretary to the Government of Madras,  
dated Simla, 6th June 1895, No. 1678-B.

I am directed to state, for the information of the Governor in Council, that the Government of India have decided that when money grants are made to Volunteer Corps to enable them to provide head-quarters, armouries, magazines, Sergeant-Instructors' quarters, &c., such grants shall be made on the following conditions :—

- I.—That any buildings so provided shall be maintained entirely at the expense of the corps.
- II.—That in the event of a corps ceasing to exist, or wishing for any reason to dispose of the building, the Government of India shall retain a lien on it to the extent of the grant made.
- III.—That when grants are made to provide Sergeant-Instructors' quarters, wholly or partially, compensation in lieu of quarters will not be allowed for the Instructors.

2. I am to request, with reference to Condition III, that the decision may be clearly explained to Volunteer Corps, so that when applying for grants from Government to provide Sergeant-Instructors' quarters, they will state in their applications that they understand that any grants given for the purpose will involve the loss of house-rent for the Instructor payable under paragraphs 166-167 of Army Regulations, India, Vol. IX.

3. As regards grants already made, the conditions upon which they were made will not be interfered with; but in any new cases of applications by corps for compensation in lieu of quarters for Sergeant-Instructors occupying buildings which were built wholly or in part out of funds granted by Government, the fact of such grant having been made, and the conditions attending it, will be taken into consideration by Government.

4. The above decisions will be included in Army Regulations, India, Vol. IX.

Copy forwarded to . . . the Controller of Military Accounts, Madras Command.

ORDER—dated 24th June 1895, No. 518, Public.

Communicated to the Lieutenant-General Commanding the Forces, with the request that the decision may be made known to all Volunteer Corps.

(True Extract.)
