READ—the following paper :—

From Major-General Sir E. H. H. COLLEN, K.C.I.E., Secretary to the Government of India, Military Department, to the Director-General of Military Works, dated Simla, the 1st July 1895, No. 1652 M.W.

I am directed to inform you that the Government of India desire that the budget estimates for Imperial Military Works for the year 1896-97 should be framed in the same manner as those for the current year, and to enable this to be done, I am to ask that the following statements may be prepared in direct communication with the Local Governments, Administrations, and Departments concerned, and submitted with your schedule of demands on the 1st October :—

- I.—A statement showing what money will be available for new original works after making due provision for works in progress, repairs, minor works, establishment and tools and plant, and Barrack department services, based on the assumption that one crore will be available for Military Works throughout the whole of India, including Burma.
- II.—A list of new original works that could be undertaken during the year 1896-97, if money were available, arranged in order of urgency of the works, and showing the amount, inclusive of the allowances for establishment and tools and plant, that could with advantage be spent on each.

2. I am to state that precedence should be given to necessary works of reconstruction and sanitary works, and that water-supply works need not be separated from other works in these statements.

Copy forwarded, for information, to the Secretary to the Government of Madras, Public Works Department.

(Signed) H. MULLALY, Captain, R.E.,
Offg. Asst. Secy. to the Govt. of India.
