GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

CIVIL WORKS.
Miscellaneous.

To

The Secretary to the Government of Madras,

Public Works Department.

Simla, the 26th June 1895.

Sir,

I am directed to forward, herewith, in original, (return requested), an application, dated the 19th November 1894, from Mr. J. H. Stephens, Assistant Engineer, Madras Public Works Department, for leave to file a specification of an invention for a syphon trap or connection for sewers in combination with a dirt box, and to request that, with the permission of His Excellency the Governor in Council, the Government of India may be furnished on the printed form accompanying with the opinion of the best expert available among the officers employed under the Government of Madras as to the novelty and utility of the invention.

2. With regard to the imposition of conditions under section 16 of the Inventions and Designs Act, No. V of 1888, I am to say that the Government of India propose, with the approval of His Excellency the Governor of Madras in Council, to secure to Government the right of using the invention without ^{payment} ~~xxx~~ subject to the proviso that if the invention is largely used by Government, His Excellency the Governor General in Council will be prepared to consider

the

To
The Secretary to the
Government of India,
P. W. Department.

Sir,

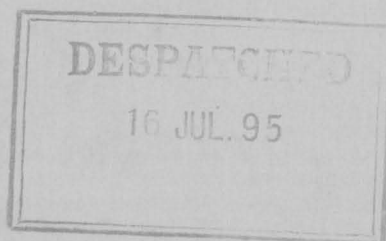

In returning the
papers received with your
letter No. 222 M, dated 26th
June 1895 regarding an appli-
cation from Mr. J. H.
Stephens, Hony. Assistant
Engineer, Bombay P. W.
Department for leave to
file a specification of an
invention for a syphon
trap or connection for sewers
in combination with a
dirt box, I am directed
to state that the opinion
of the Sanitary Engineer
to this Government, as the
best expert available,
has been recorded on the
printed form.

2. I am to add that
this Government has no
objection

objection to the proposal
in para 2 of your letter.
