

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings

of the Board of Revenue, Land Revenue, dated 30 May 1895 No. 2760 mis. on letter from the Collector of Kistna proposing to the Board to make Machherla instead of Tumurukota the Head Quarters of the Division:-

Submitted to Government.

2. The Board supports the Collector's proposal to transfer the head quarters of the Deputy Tahsildar from Tumurukota to Machherla. The latter place is unquestionably more central and healthier and when the Machherla tank is restored under Government Order 6.11.93 J. communicated with Government Order, dated 24 idem No. 2327 Res, it will probably become the most important place in the taluk.

3. The proposed transfer does not involve unnecessary expenditure as a new cutcherry for the Deputy Tahsildar is required at Tumurukota (vide Government order 28.11.93 4437) which may as well be constructed at Machherla. The Board considers that until this is done the transfer of the Submagistrate's Head Quarters should not be carried out.

4 The only drawback is that Macherla is not connected with the taluk head quarters by a metalled road. This defect may be remedied by making a metalled road from Macherla to join the Guruzala Tumkurkota road at Renuachinlala or otherwise. The Board considers that the road should be made from Provincial Funds and that it should afterwards be maintained by the District Board.

Order thereon, 1st July 1895 No 2589 Ins

The Government approves the proposed transfer of the Head Quarters of the Deputy Tahsildar from Tumkurkota to Macherla. The transfer will be given effect to on the completion of the new Cutcherry sanctioned in G.O. 4437, ^{dated} 28th November 93 which should now be erected at the latter place.

2. The construction of the road proposed in para 4 of the Board's Proceedings will be considered in the Public Works Department.
