

Letter from the Commr. of the
No. 2890 dated 3rd July 1895 to the Supt. Engineer
III Circle, Bellary.

In March 1894 one A. Kondiah Shetty
contractor supplied Teakwood Eaves boards to the
Police Hospital at Anantapur and was paid for
by Mr. Heering the then Sub Div. Officer at Rs. 4-10-0
per off.

2. The contractor claiming payment at so much
per running foot, accepted the amount tendered under
protest and made a note in the bill.

"Received Rs. 76-14-5 which does not liquidate my
claim fully for this work," and on a reference made
Mr. Heering explained the note as follows:-

"By this contractor A. Kondiah Shetty meant
that he only acknowledged the amount received for Eaves
boards Police Hospital, Anantapur and having sent
a petition expected to get higher rates; subsequently
he was informed he would not get higher rates"

The eaves boards are generally paid for in the
Anantapur Sub Division at 8 annas per running foot
which is equivalent to Rs. 8/100 per off, whereas the
contractor was paid at 4-10-0 only per off and the
contractor is constantly troubling for payment of the
difference.

3. The accounts of the work having been closed
and the completion report sent in June 1894, the
difference

difference of Rs. 50/- (fifty only) cannot be paid without reference to proper authority and I have the honor, therefore, to request that requisite sanction may be obtained so that the contractor may receive his dues which are considered fair and reasonable.

N^o 1103
11/7/95
Submitted to the Chief Engineer, P. W. D. for favor of sanction of Government being obtained to the payment of Rs. 50, to the contractor for the reasons given by the Executive Engineer in the foregoing.

2. The estimate for the work amounting to Rs. 7,640 was sanctioned in G. O. N^o 2180 W. of the 12th August 1891, and completion report for Rs. 8,641 was sanctioned in G. O. N^o 256 W. dated 2nd February 1895.
