

PROCEEDINGS OF THE BOARD OF REVENUE  
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—letter from A. C. TATE, Esq., Acting Collector of Kurnool, dated 14th May 1895, Dis. No. 859-Eng., submitting statements A, B and C of famine relief works for 1895-96.

RESOLUTION—dated 10th June 1895, No. 151.

The abstract of the programme of famine relief works for 1895-96, received from the Collector of Kurnool, will be submitted for the information of Government.

2. The programme contains provision for the construction of three new irrigation works at a cost of 4.20 lakhs, and repairs to the existing irrigation works 1.48 lakhs, for forest fencing works 2.59 lakhs, for repairs to roads 6.83 lakhs, for works for the improvement of drinking water-supply .63 lakh and other miscellaneous works to cost 5.55 lakhs. The last item includes a provision of 3.15 lakhs for land improvements to be executed by the aid of State loans.

3. The total provision amounts to Rs. 21,28,367, and the works are calculated to be sufficient to provide employment for three months to 35 per cent. of the population of the district.

4. Estimates are stated to be ready for works costing Rs. 5,63,863 or 31 per cent. of the total provision excluding land improvement works, for which no estimates are required.

5. At the end of statement A, a list of additional works to the amount of Rs. 2,13,496 is given which can be made available as relief works should necessity arise.

6. The amount of detailed estimate of Thokapalle project in the Markapur taluk is given in this programme as Rs. 4,10,000, whereas in the last year's programme it was given as Rs. 4,10,600. The correct figure should be reported.

7. Columns 3 and 4 of form A should have been subdivided into "sanctioned" and "not sanctioned" as directed in paragraph 2 of Board's Proceedings, No. 360, dated 6th September 1894, and the different classes of large works should have been entered in the appropriate columns. The required information has been given by the Collector in column 2 of the form but not clearly.

8. The district totals under each of the marginally-noted classes of works should also have been given separately in columns 5 to 27 of form C.

Large—  
Sanctioned.  
Not sanctioned.  
Small.  
Land improvements.

9. The forest fencing works, so called, include the making of eighty miles of road in Nandikotkur, and the laying

down of a tramway and making a timber slide and a road in Nandyal, making 46 miles of road in Sirvel, 59 in Cumbum and 35 in Markapur, all of which should have appeared under road works. The tramway work being merely an uninvestigated idea, should only have been shown under "additional" works at the end of statement A. This should be attended to in submitting the next year's programme.

10. The delay of more than six weeks in the submission of this programme has not been explained by the Collector.
