Circular from the Government of India, Public Works Department (General),
to the Secretary to the Government of Madras, Public Works Department,
dated Simla, the 3rd July 1895, No. 4 Public Works.

[Grants from Provident Fund to be restricted to the amounts actually required to pay
for passages by sea.]

Resolution.—It has been noticed that the discretion as to withdrawals of sums
by depositors in the Civil Engineers' and State Railway Provident Funds under the
rules in Public Works Department Code, Volume I, Appendix D, paragraph 6, and
Volume IV, chapter X, paragraph 19, is used too freely, and also that sums in
excess of what the rules permit are frequently allowed.

The Government of India, accordingly, desire to point out that the equivalent of
a passage by sea only is admissible under the rules quoted, and that sums not exceed-
ing such amount should alone be permitted to be withdrawn.

In future, when applying for leave to withdraw such sums from the Provident
Funds, the expenses of the passage for the officer himself only, or the members of
his family, or both, as the case may be, should be fully stated for the orders of the
sanctioning authority.

When return passages are required for officers, or their families, who are in
India, the cost of these will be allowed, if desired, provided that an assurance is
given that the money advanced will be actually spent on the purchase of a return-
ticket.

Order—Ordered, that a copy of this Resolution be communicated to the Local
