With reference to paragraph 4 of G.O. No. 3684 W. (Public Works), dated 21st November 1888, I have the honour to inform you that I purpose discontinuing the submission of lists of artificers, &c., available in the Pioneer regiments in this Command for employment in the Public Works Department, as the preparation of these involves unnecessary labour and as no men have for a considerable time been so employed.

2. Should men of the above regiments be at any time required for work by the Public Works Department, I shall be glad to furnish all who are available on receiving intimation from you.

ORDER—dated 23rd July 1895, No. 1816 W., Public Works.

The submission of the lists may be discontinued as proposed. Superintending Engineers will apply direct to the Military authorities for any trained artificers that may be required for employment on Public Works.
