PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector General of Police,
Madras of 10th December 1894, No. 7265.

I have the honor to solicit the sanction of
Government for the construction of the marginally
noted buildings for
the Special Police
Force at Mallapuram
in the Malabar District.

1. Quarters for the Inspector of Police.
2. — do — 4 European Head Constables.
3. Huts for 81 Constables.

2. The present buildings are thatched and owing
to the ravages committed by white ants, require
annual repairs. They were erected in 1885-86 from
funds levied for the maintenance of the Primitive

3. The Special Police Force at Mallapuram
having now become a permanent strength (G.O.

not read to the
S.D.

No. 1386, dated 30th June 1887 Judicial Department)
it is highly advisable that tiled quarters should
be constructed for the comfort of the men.

4. If my proposal is approved, I beg that
Government may be pleased to issue orders in the
Public Works Department for the preparation of the
necessary plans and estimates for the construction of
the

the Inspector's quarters and as a special case, for all the huts. As a large number of huts has to be erected, I am of opinion that professional skill is very advisable. I further beg that funds may be allotted for the works in the D.P.W. Budget for 1895-96.

Order of 16th January 1895, No. 95.

Orders will be issued in the Public Works Department for the preparation of the necessary plans and estimates but the work should be executed departmentally as the services of one Inspector and four Europeans Head Constables will be available to exercise the requisite supervision.
