REVENUE DEPARTMENT.

READ—the following G.O., dated 3rd May 1895, No. 336, Public:—

Read—the following letter from the Registrar of the High Court, Madras, dated 29th March 1895, No. 925:—

I am directed to forward a copy of a letter, together with its enclosures (to be returned), dated the 24th ultimo, No. 151, from the District Judge, Vizagapatam, requesting that M.R.Ry. K. Ramalinga Sastri Garu, District Munsif of Chódavaram, in the Vizagapatam district, may be permitted to acquire, under the Dharkast rules, a few hundreds of acres of waste land in the Colair lake lankas in the Kistna district and to request that the Government will be pleased to state whether the District Munsif's prayer should be granted. The rule in question is rule 5 of the rules relating to the holding of landed property by Uncovenanted officers in Civil employ (printed in page 93 of the High Court's Rules of Practice in Civil Courts) which corresponds to Article 7, page 4 of the pamphlet, containing the rules regulating the personal conduct of public servants communicated with G.O., dated 8th February 1893, No. 102, Public. The District Munsif's application would appear to come within this rule, though he does not wish to *purchase* the land, for the rule was apparently framed to prevent Uncovenanted officers acquiring large quantities of land for agricultural profit during the time they are in Government employ and the term "some hundreds of acres" might be held to cover almost anything. A definite ruling is requested as to whether the rule should be taken to include dharkasts as well as purchases.

Order—dated 3rd May 1895, No. 336, Public.

The acquisition of the land is objectionable and cannot be permitted.

2. No. 7 of the rules regulating the personal conduct of public servants will be amended as follows: "Large acquisitions of land on the part of officers by purchase or otherwise," &c. The Revenue Department will be requested to issue the necessary erratum.

In both these cases, the procedure adopted by the Public Dept. seems new and peculiar.

The Rev. Q.M. in each case communicated to the "Dept. of the Secretary", & we received a copy of each direct from that Dept.

The Public Dept. now communicates with Q.M. to all heads of Depts. under the Chief Secretary, & address copy of each to the P.W. Dept., as if the latter Dept. is one of those under the Ch. Sec.

I don't know whether W would think it worth while to notice the matter.
