temporary establishment at a total cost of Rs.240,under the sanction of the Local Government obtained from year to year for the purpose. In I892-93 simplified methods of work began to be introduced,and a reduced scale of establishment was consequently submitted and sanctioned;but as I received your permission to work to it gradually, and supernumerary clerks were available,there has until now been no necessity to apply for extra aid.

3. Now that the office is being worked with the lowest possible minimum establishment no clerks can be made available for this work. I therefore find it necessary to request your approval to my entertaining annually,3 temporary clerks at Rs.20 per mensem each for a period of three months,i.e. at a total cost of Rs.I80,subject to the sanction of the Local Government which will be obtained every year.

4. I may however mention that the full establishment proposed will not be entertained,unless it is found absolutely necessary from year to year.

SIR,

I have the honor to bring to your notice that the two additional Clerks 6th class 1st grade applied for, for the Vizagapatam division were Sanctioned in Go No. 1265 F dated 27th May 1895 under Temporary Establishment; but from Go No 1522 F dated 21 June 1895 passed on the revised Statements of Executive and office Establishments it is not known whether the appointments are to be Considered temporary or permanent, and I request that I

may be favored with information on this point.

2. I beg to point out that it is not generally possible to procure qualified men in the Ganjam and Vizagapatam Districts for temporary posts Carrying the small pay of Rs 15 per mensem and I suggest that either the pay should be raised to Rs 20, or that the appointments should be on the permanent Establishment.

SIR,

Enclosures.

In reply to your endorse-
-ment No 396 C.I. dated 7th July 1895
I have the honor to report that there
is at present no watchman at-
-tached to the Pugalur Head sluice.
The channel meeramies are supposed
to look after it, but they are under
the Revenue Department, and will
not obey the orders of this depart
-ment, and, as a matter of fact,
they are very seldom there.

2 I have entered the pay
of Rs 7, because I want to attract
a trustworthy man who will
look carefully after the head sluice

and

and its gearing, and also take care of the bungalow and the garden and grounds attached to it. The effect of the low pay given to watchmen in this division is that they are absent all day from their duties earning additional wages by private work.
