MADURA COLLECTOR'S OFFICE,

From

L. C. Miller Esquire,
Acting Collector of
Madura.

To

The Secretary to the Commission
of Land Revenue
Madras.

Sir, With reference to Board's Proceedings dated 24th September 1894 N 2399 Land Revenue, I have the honor to report that none of the traders of Eedasandur are willing to guarantee the amount required by the Director General of Telegraphs (Rs 630) but one man Kassin Rowther of Dindigul who deals largely in tobacco and pays an income tax of Rs 105 promises to make good the monthly loss of Rs 105 incurred to Government by the establishment of the office at Eedasandur. This he is willing to do for one year.

I do not think that it will be safe to leave the guarantee in the hands of single individual and collect the amount monthly which is apparently what Kassin Rowther desires; but I think that the office may be opened if he will deposit 630 Rupees before hand as soon as the Director General of Telegraphs intimates that he is ready to commence construction. If this is approved, I will ascertain if he will do it.

I have the honor to be

SIR,

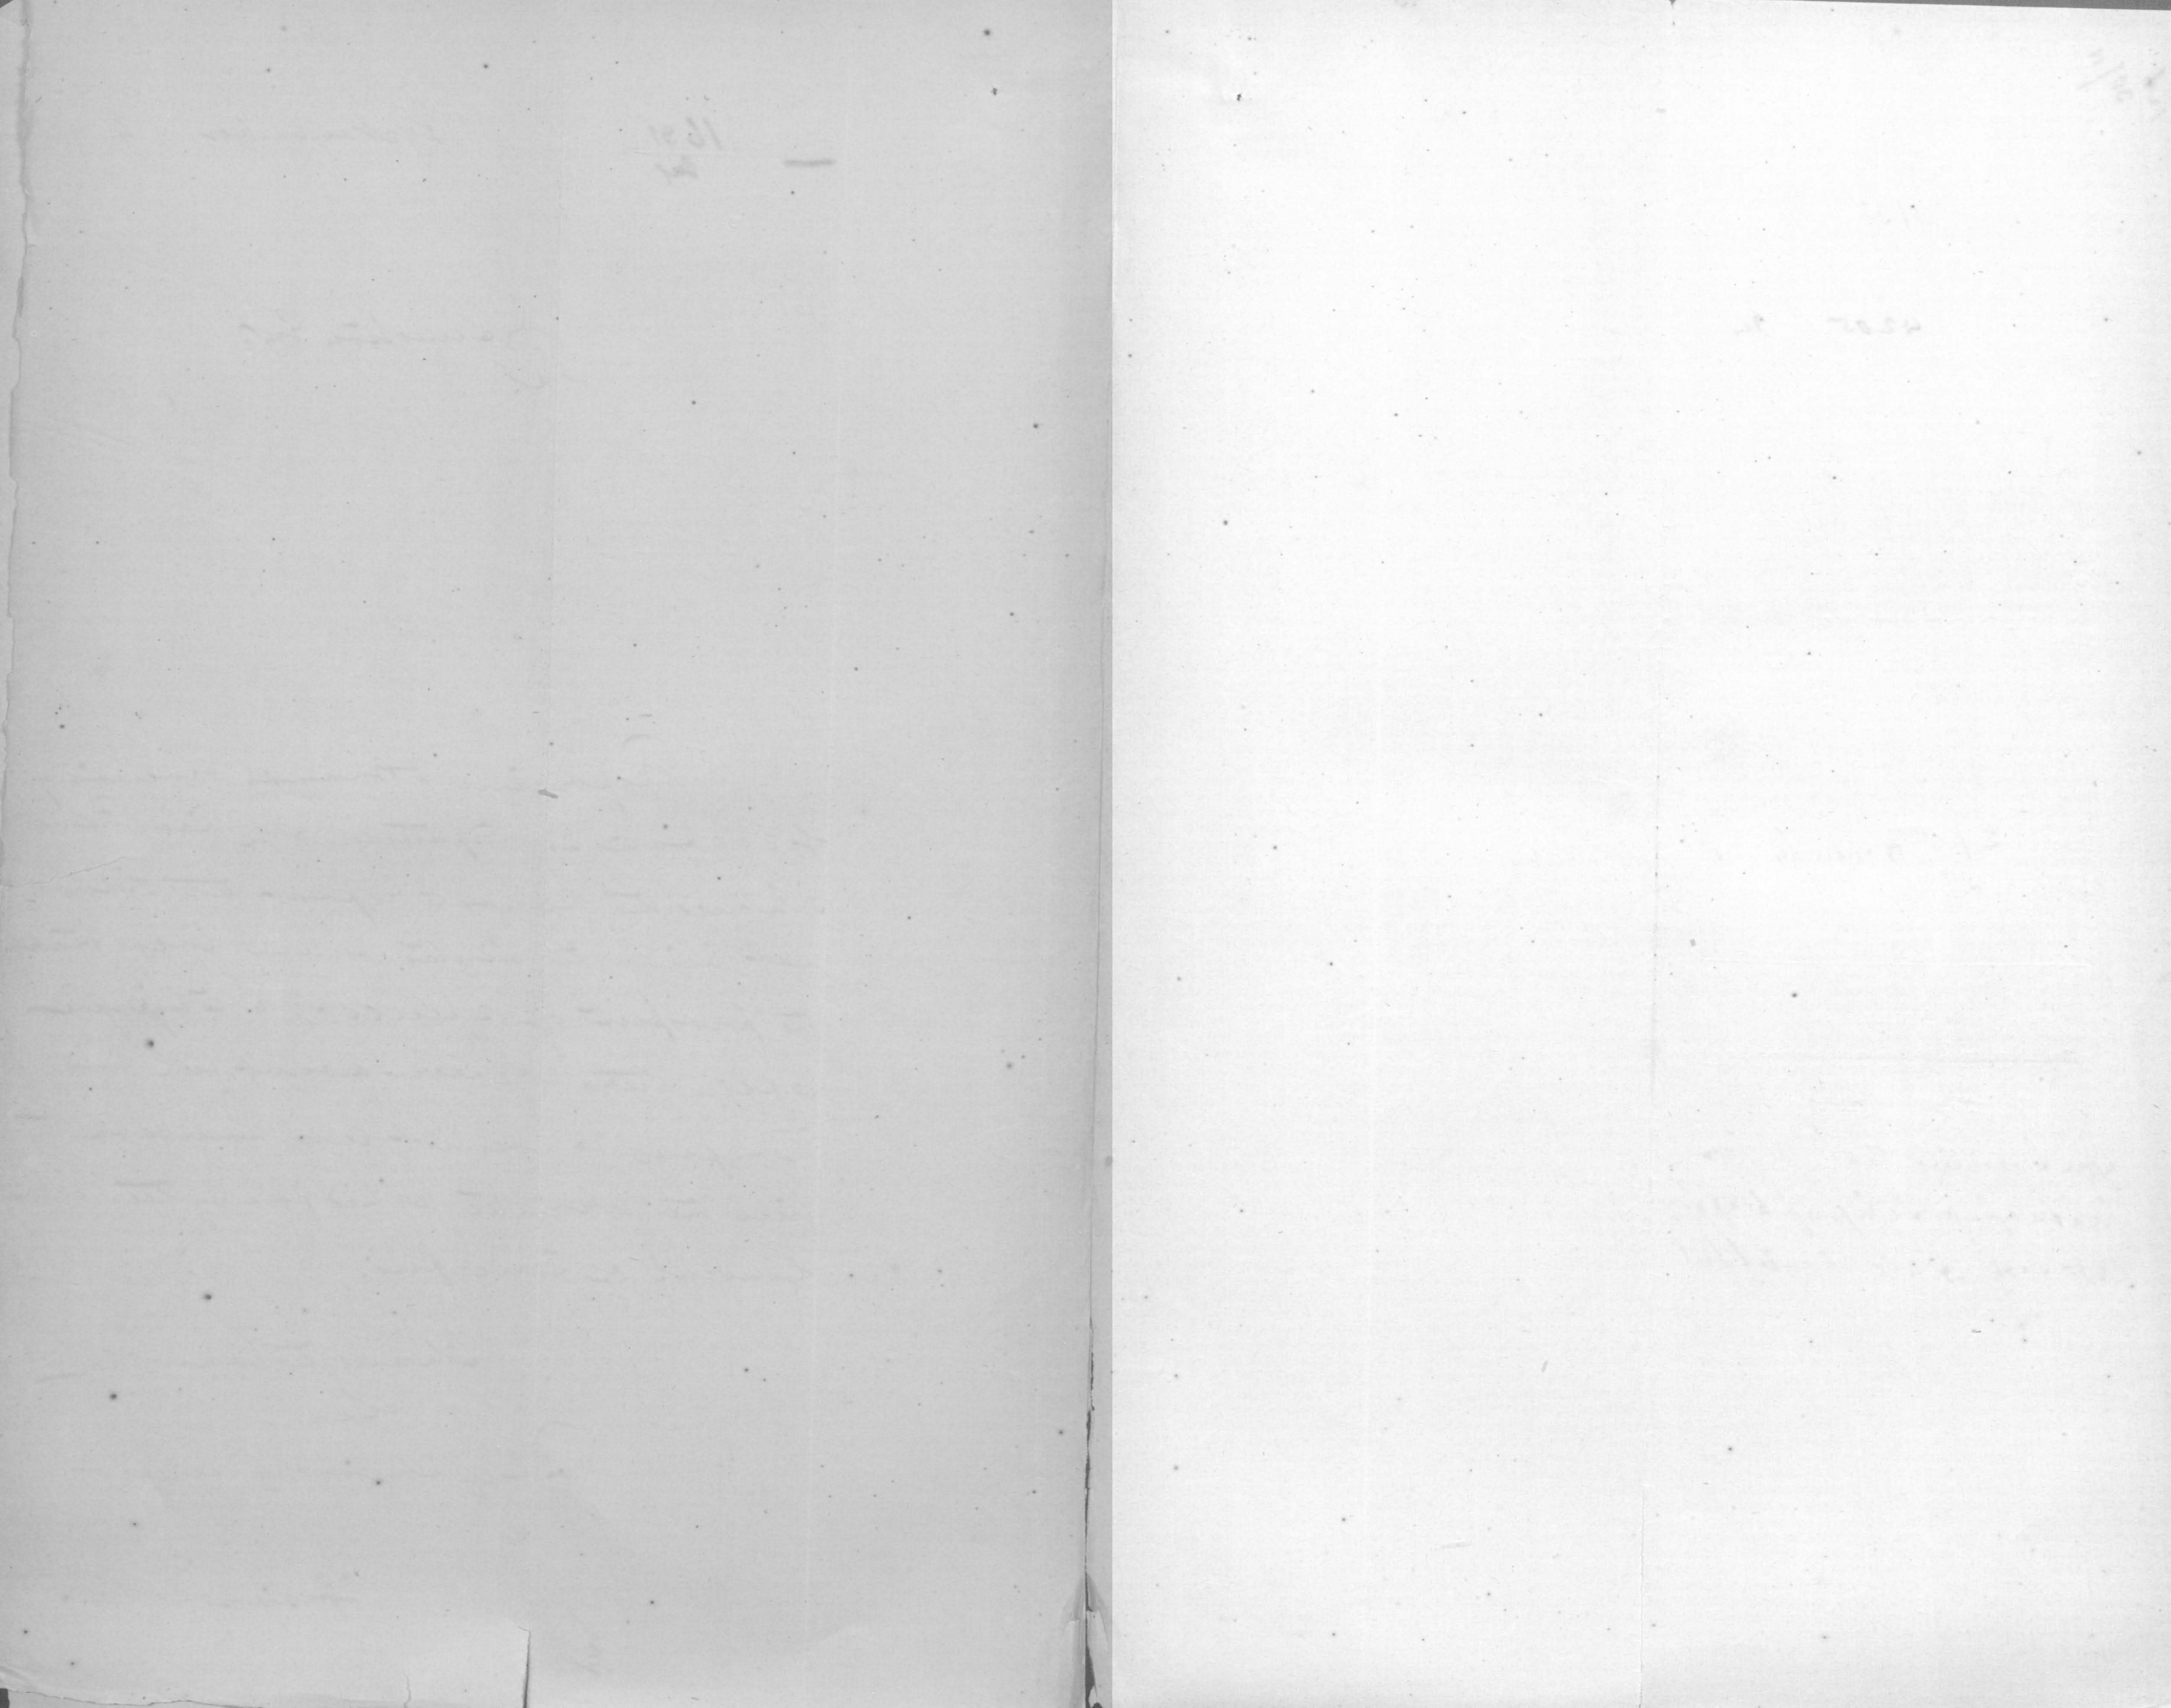

Referring to Board's Proceedings No 399 dated 24th September 1894, Land Revenue, I have the honor to report that without not being the centre of any local trade the prospects of success of a telegraph office there are very doubtful and therefore it does not seem advisable to give the guarantee asked for by the Director General of Telegraphs.
