Chief Engr for Irrign.

PROCEEDINGS OF THE BOARD OF REVENUE
(Revenue Settlement, Land Records and Agriculture).

Read—the following letter from J. HEWETSON, Esq., Acting Collector of Cuddapah, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Cuddapah, 17th May 1895, Ref. on C. No. 95-Eng. :—

I have the honour to submit herewith statements A, B and C of the Famine programme for 1895–96. The late submission of the return was due to delay in the receipt of the return from the President, District Board, which in its turn was delayed for want of information from the Local Fund Engineer.

2. Compared with the previous year's programme, the provision falls short in the taluks of the sub-division, and this has been the result of almost the entire absence of the D. P. W. works. The Executive Engineer has not stated the reason. I have asked him to explain, and his explanation will be submitted when received.

Resolution—dated 7th June 1895, No. 147.

The abstract of the programme of famine relief works for 1895–96, received from the Collector of Cuddapah, will be submitted for the information of Government.

2. The programme contains provision for the construction of 12 new irrigation works, at a cost of 5·50 lakhs, and for repairs to 631 existing works to cost 4·43 lakhs; for forest-fencing works to cost 1·28 lakhs; for the construction of 66 new roads to cost 3·39 lakhs and repairs to old roads 7·77 lakhs; works for the improvement of drinking water-supply ·26 lakh and other miscellaneous works to cost 1·65 lakhs. The last item includes 1·55 lakhs for land improvements to be executed by the aid of State loans. The total provision amounts to Rs. 24,29,447 and the works are calculated to be sufficient to provide employment for three months to 22·6 per cent. of the population of the district. The provision made in the Pulivendla, Madanapalle, Vayalpad, Ráyachoti and Kadiri taluks is below the prescribed minimum and early steps should be taken to amplify the programme in these taluks and especially in Kadiri where the provision is very small. It is observed that several irrigation works shown as "additional" in statement A are included in the programme. If these are works, plans, &c., for which are not in a forward state of preparation, they should, under rule 9 in paragraph 5 of B.P. No. 411, dated 7th June 1892, have been shown as supplemental at the end of statement A and omitted altogether from statement C.

3. Estimates are stated to be ready for works to cost Rs. 12,15,596 or 53 per cent. of the total provision, excluding land improvements for which no estimates are required.

4. The explanation of the Executive Engineer, which the Collector has called for as mentioned in paragraph 2 of his letter as to the entire absence of D. P. W. works in the taluks of the sub-division, should be obtained and submitted at an early date.

5. *Statement A.*—(*a*). The length of each of the new roads proposed is not given either in this statement or in statement C. This information should now be furnished.

(*b*) The total cost of the six forest-fencing works proposed in the Vayalpad taluk is Rs. 14,500 and not Rs. 9,500. Again, the total cost of breaking and stacking road-metal and storing gravel in the same taluk is Rs. 71,740 and not Rs. 82,350; while the total of the detailed estimates is Rs. 51,560 and not Rs. 62,170. These being clearly clerical errors, correct figures have been adopted both in this statement and in statement C in which the mistakes are repeated. The Collector's office copy should likewise be corrected.

Taluks.	Class of work.	Amounts entered in column 25.	Maximum number of persons that the amounts can provide for, for 3 months at 1½ anna per man per diem.	Numbers entered in column 5.	Excess.
1	2	3	4	5	6
		Rs.			
Pullampet	Land improvements.	600	80	400	320
Cuddapah	Large works not sanctioned.	1,43,996	19,199	26,713	7,514

Vayalpad	Do. ..	71,740	9,565	10,980	1,415

Statement C.—(*a*) The figures entered in column (5) of the statement are, in the marginally-noted cases, in excess of the maximum numbers which the amounts entered in column 25 could provide for, for a period of 3 months. The Collector is requested to report the correct figures.

(*b*) The following clerical errors are also noticed in the statement:—

Taluks.	Details.	Figure given in the return submitted by the Collector.	Correct figure.
Badvel	Column 24 Total ..	224	225
Sidhout	Do. 26 ,, ..	34	30

	Do. 15	2,39,113	3,39,113
	Do. 22	2,481	2,486
	Do. 23	1,69,301	1,91,157

These errors have been corrected in the copy of the statement submitted to the Board and the Collector is requested to make the necessary corrections in his office copy.

6. The Board regrets to observe that the above statements have not been prepared with due care and have been submitted by the Collector more than six weeks after due date. The Collector explains the delay to be due to the late receipt of the returns from the District Board. This is hardly satisfactory. He should have fixed a suitable date for the submission of the District Board statements and have seen that they were submitted as prescribed.

(True Copy and Extract.)

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Secretary to Government, Revenue Department.
„ Collector of Cuddapah.

Exd. C. M. Brisson.

These errors have been corrected in the copy of the statement submitted to the Board and the Collector is requested to make the necessary corrections in his office copy.

6. The Board regrets to observe that the above statements have not been prepared with due care and have been submitted by the Collector more than six weeks after due date. The Collector explains the delay to be due to the late receipt of the returns from the District Board. This is hardly satisfactory. He should have fixed a suitable date for the submission of the District Board statements and have seen that they were submitted as prescribed.

(True Copy and Extract.)

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Secretary to Government, Revenue Department.
„ Collector of Cuddapah.

Exd. C. M. Brisson.

5. *Statement A.*—(*a*). The length of each of the new roads proposed is not given either in this statement or in statement C. This information should now be furnished.

(*b*) The total cost of the six forest-fencing works proposed in the Vayalpad taluk is Rs. 14,500 and not Rs. 9,500. Again, the total cost of breaking and stacking road-metal and storing gravel in the same taluk is Rs. 71,740 and not Rs. 82,350; while the total of the detailed estimates is Rs. 51,560 and not Rs. 62,170. These being clearly clerical errors, correct figures have been adopted both in this statement and in statement C in which the mistakes are repeated. The Collector's office copy should likewise be corrected.

Taluks.	Class of work.	Amounts entered in column 25.	Maximum number of persons that the amounts can provide for, for 3 months at 1½ anna per man per diem.	Numbers entered in column 5.	Excess.
1	2	3	4	5	6
		RS.			
Pullampet	Land improvements.	600	80	400	320
Cuddapah	Large works not sanctioned.	1,43,996	19,199	26,713	7,514

Vayalpad	Do. ..	71,740	9,565	10,980	1,415

Statement C.—(*a*) The figures entered in column (5) of the statement are, in the marginally-noted cases, in excess of the maximum numbers which the amounts entered in column 25 could provide for, for a period of 3 months. The Collector is requested to report the correct figures.

(*b*) The following clerical errors are also noticed in the statement :—

Taluks.	Details.	Figure given in the return submitted by the Collector.	Correct figure.

PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from J. HEWETSON, Esq., Acting Collector of Cuddapah, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Cuddapah, 17th May 1895, Ref. on C. No. 95-Eng. :—

I have the honour to submit herewith statements A, B and C of the Famine programme for 1895–96. The late submission of the return was due to delay in the receipt of the return from the President, District Board, which in its turn was delayed for want of information from the Local Fund Engineer.

2. Compared with the previous year's programme, the provision falls short in the taluks of the sub-division, and this has been the result of almost the entire absence of the D. P. W. works. The Executive Engineer has not stated the reason. I have asked him to explain, and his explanation will be submitted when received.

RESOLUTION—dated 7th June 1895, No. 147.

The abstract of the programme of famine relief works for 1895–96, received from the Collector of Cuddapah, will be submitted for the information of Government.

2. The programme contains provision for the construction of 12 new irrigation works, at a cost of 5·50 lakhs, and for repairs to 631 existing works to cost 4·43 lakhs; for forest-fencing works to cost 1·28 lakhs; for the construction of 66 new roads to cost 3·39 lakhs and repairs to old roads 7·77 lakhs; works for the improvement of drinking water-supply ·26 lakh and other miscellaneous works to cost 1·65 lakhs. The last item includes 1·55 lakhs for land improvements to be executed by the aid of State loans. The total provision amounts to Rs. 24,29,447 and the works are calculated to be sufficient to provide employment for three months to 22·6 per cent. of the population of the district. The provision made in the Pulivendla, Madanapalle, Vayalpad, Ráyachoti and Kadiri taluks is below the prescribed minimum and early steps should be taken to amplify the programme in these taluks and especially in Kadiri where the provision is very small. It is observed that several irrigation works shown as "additional" in statement A are included in the programme. If these are works, plans, &c., for which are not in a forward state of preparation, they should, under rule 9 in paragraph 5 of B.P. No. 411, dated 7th June 1892, have been shown as supplemental at the end of statement A and omitted altogether from statement C.

3. Estimates are stated to be ready for works to cost Rs. 12,15,596 or 53 per cent. of the total provision, excluding land improvements for which no estimates are required.

4. The explanation of the Executive Engineer, which the Collector has called for as mentioned in paragraph 2 of his letter as to the entire absence of D. P. W. works in the taluks of the sub-division, should be obtained and submitted at an early date.
