3. In the above circumstances, I think that these three officials deserve the concession shown to the Deputy Tahsildar of Ramnad in the Board's Proceedings quoted above, and I therefore recommend that it may be extended to these three cases also, and that the security offered by them—viz., a policy of the Indian Guarantee and Suretyship Association, Bombay—may be accepted.

Resolution—dated 17th April 1895, Mis. No. 1873.

Submitted for the orders of Government.

2. The Board supports the Collector's recommendation that the Deputy Tahsildars in question should be permitted to tender as security the policies of the Indian Guarantee and Suretyship Association (Limited). The case is on all fours with that dealt with in G.O., dated 10th April 1894, No. 1443, and does not appear to be affected by G.O., dated 17th January 1895, No. 179, which applies to Huzur treasurers only.

(True Copy and Extract.)

(Signed) R. C. C. CARR,
Acting Secretary.

To the Secretary to Government, Revenue Department.

Endorsement on the above.

Transferred to the Financial Department.

27*th June* 1895. (Signed) E. GIBSON,
Secretary to Govt., Rev. Dept.

ORDER—dated 6th July 1895, No. 502, Financial.

The policies of the Indian Guarantee and Suretyship Association are practically useless, as they are hampered with a number of conditions the neglect of any of which may invalidate the right to recover even where fraud or dishonesty is proved. The Government is therefore pleased to direct, in supersession of all previous orders on the subject, that these policies shall not be accepted as security from any class of Government officers.

2. Officers who have been allowed to deposit these policies will be required to replace them by substantial security within six months from the date of receipt of this order.
