READ—the following papers :—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated 28th June 1895, No. 6938.

On a proposal made by the Government Agent, Górávari, to the Superintending Engineer, I Circle, Government in its Order, dated 21st November 1894, No. 2986 W., sanctioned the transfer of the building known as the "Police station house at Jaddangi" to the Revenue Department for use as a public bungalow. The Government Agent, Górávari, now writes to me to say that the said building cannot be conveniently used as a public bungalow and requests me to obtain the sanction of Government for its transfer to the Educational Department, as a building is urgently needed for the Government Primary school at Jaddangi which is now being held in a rented shed (*vide* the enclosed copy of his endorsement No. 671/Agency, dated 21st January 1895, on letter from the Special Assistant Agent, Górávari, No. 757, dated 11th December 1894). The Inspector of Schools, Northern Circle, to whom I referred the matter, is also of opinion that the building in question may be taken over for use as a school-house. I have the honour, accordingly, to request that Government will be pleased to sanction the transfer of the Police station house to the Educational Department.

ENCLOSURE.

From the Government Agent, Górávari, dated 21st January 1895, Ref. No. 671/Agency.

Forwarded together with the estimates to the Director of Public Instruction, Madras, for favour of obtaining Government sanction for transfer of the building in question to the Educational Department. It was originally a police station house and its transfer to the Revenue Department was sanctioned in G.O. No. 2986 W., dated 21st November 1894. He is further requested to sanction a sum of Rs. 61 (including the charge of Rs. 5 incurred for removing the tiles) for repairing the roof of the building in question.

With reference to your letter No. , dated ,
I am directed to state, that the object the Government of India had in view in asking for the information called for in Public Works Department letter No. 3524 G., dated 26th November 1894, was to enable them to frame an estimate of the number of copies of future editions of the several volumes of the Public Works Department Code, and of the parts of the Form Books relating thereto, which should be printed, in order to avoid a large surplus number remaining in stock when further editions are issued. It was not intended to issue instructions for the supply of copies for the use of Local Governments and Administrations, which are competent under paragraph 10 of Appendix H., Public Works Department Code, Volume I, to order the supply for official use of official publications such as the Public Works Department Code. I am, therefore, to suggest that instructions may be issued direct by ^{the Local Government} ~~the Local Administration~~ ^{you} to the Superintendent of Government Printing, India, Calcutta, for the supply of the copies of the publications in question, when required for ^{the use of that} ~~Government~~ ^{Administration} and of the officers subordinate ^{thereto} ~~to you~~ ^{your use}.

Resolution of the Government of India, in the Public Works Department (Account—General), dated Simla, 24th May 1895, No. 57-A.G.

[Review of the revenue and expenditure recorded under the head "Civil Works" in the Accounts of the Government of India for the official year 1893-94].

Read—

Note by R. G. Macdonald, Esq., Accountant-General, Public Works Department, upon the Accounts of Revenue and Expenditure recorded under the head "Civil Works" in the Accounts of the Government of India for 1893-94.

Resolution.—The main points worthy of notice are—

5. Of the total outlay by departmental and civil officers during the year under review, much more was expended on new buildings than on new roads, the figures being Rx. 953,208 and Rx. 772,447, respectively, against Rx. 971,710 and Rx. 783,932, respectively, in the previous year. In the matter of repairs, Rx. 1,341,481 were spent on communications and Rx. 316,051 on buildings, against Rx. 1,328,493 and Rx. 289,899, respectively, in 1892-93. On works of Miscellaneous Public Improvement Rx. 227,000 were spent on new works and Rx. 108,090 on repairs, against the corresponding figures of Rx. 377,165 and Rx. 105,596 in the previous year.

Attention is invited to the comparatively large outlay on new Civil Buildings which was principally from Provincial funds. The Government of India think it desirable that some economy should be effected in this direction and that a larger proportion of the annual assignments should be devoted to works of Communication and especially feeder roads to railways.

The Governments of Madras and Bombay (General), Bengal, the North-Western Provinces and Oudh, and the Punjab.

The Resident at Hyderabad.
The Agents to the Governor General for Central India, Rajputana, and Baluchistan.
The Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands.
The Accountant-General, Public Works Department.
The Director-General of Military Works.

Order.—Ordered that the foregoing, with a copy of the note, be forwarded to the Local Governments, Administrations, and officers noted in the margin for information.

Ordered also that a copy of the Resolution and note be forwarded to the Finance Department, and that the papers be published in the Supplement of the Gazette of India.

SIR,

Enclosures.

In the final issue of the Incorporated Local
Fund Budget for 1895/96 a sum of Rs 750 has been
provided for improving the Thalaya Mangalam
village road on Pannanayar left bank from Peruvolu-
dan to end of road in Mannargudi. An estimate
for executing the work was called for and is now in my
office.

2. The President Local Fund Board, Tanjore, on the
representations of the Local Fund Engineer is desirous
of retaining the road in question in charge of the Local
Fund Department as hitherto.

I have therefore the honour to request that under
the circumstances the grant of Rs 750 for the work
may be resumed.

READ—the following papers :—

From the Executive Engineer, Kistna Eastern Division, to the Superintending Engineer, II Circle, dated 25th June 1895, No. 1399.

With reference to your No. 1983 K.S., dated 23rd November 1894, I have the honour to forward, for your information, a report from the southern sub-divisional officer with an estimate for repairs to the old Taluk cutcherry at Bandur.

2. It seems doubtful if it is worth while to spend such a large amount on it, but the only other course will be to abandon it and sell it by auction as it stands.

3. As, however, you have yourself inspected the building, I will ask you to be good enough to decide whether the estimate should be sanctioned or not.

No. 802 K.S.

Forwarded to the Chief Engineer, Public Works Department, for favour of obtaining the sanction of Government for selling by public auction the old Taluk cutcherry building at Masulipatam with reference to paragraph 20, chapter X., Vol. I., of Government of India Code.

2. The building is in a most dilapidated condition and is not suitable for any office.
