4TH JULY 1895, No. 551, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From A. REA, Esq., Superintendent, Archaeological Survey, Madras, to the Chief Secretary to Government, dated Bangalore, 13th June 1895, No. 121.

I have the honour to report on the returns of ancient monuments in need of repair, sent in accordance with Board's Proceedings, No. 304, dated 26th March 1888. They were received on dates from 18th December 1894 to 2nd April 1895, and so—even though they had contained any proposals necessary to be taken up—were too late for inclusion in the present year's conservation budget. The majority of the returns were *nil*, and none of the others mentioned monuments in any special need of repair.

2. Now that the duty of reporting monuments for conservation falls on the Public Works Department, in accordance with G.O., dated 7th October 1891, No 2683 W., Public Works, I think there is no necessity for these reports from Collectors being continued.

ORDER—dated 4th July 1895, No. 551, Public.

The Superintendent, Archaeological Survey, will be informed that paragraph 3 of G.O., No. 2683 W., dated 7th October 1891, requires Public Works officers to submit "rough estimates of works proposed to be undertaken," but that it is the duty of Collectors* to report "monuments for conservation".

* *Vide* Board of Revenue S.O., No. 282-A.

2. The attention of all Collectors will be directed in the Revenue Department to the Board's Standing Order, No. 282-A. Their reports should reach the Superintendent, Archaeological Survey, *before* the end of the calendar year.
