GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper:—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of the Punjab, Public Works Department, dated Simla, the 2nd August 1895, No. 2199-G.

I am directed to acknowledge receipt of your letter No. 0112 E.I., dated 15th June last, enquiring, with reference to the note in the table in clause (*c*) of article 1183 of the Civil Service Regulations, under which Local Governments are empowered to grant hospital assistants attached to the Public Works Department a conveyance or horse allowance of Rs. 15 per mensem in special and exceptional cases, whether the Government of the Punjab may sanction, under that article, the allowance of Rs. 15 per mensem in cases such as that cited on the margin, in which it may be considered that the daily allowance admissible under article 1167 of the Civil Service Regulations is inadequate.

A hospital assistant attached to a Canal division and required to travel 50 or 100 miles along a canal.

2. In reply, I am to forward, for information, the accompanying copy of Government of India, Finance and Commerce Department, Resolution No. 953, dated 18th February 1884, and to say that, under the orders contained therein, such a case as that mentioned above is covered by the rule in article 1183 of the Civil Service Regulations referred to in paragraph 1 *supra*.

ENCLOSURE.

RESOLUTION by the Government of India, Finance and Commerce Department, dated 18th February 1884, No. 953.

Read—

The following correspondence regarding the travelling allowance of hospital assistants attached to Survey Parties employed under the Public Works Department.

Letter from the Government of Bengal, No. 982 T.R.E., dated the 4th September 1883, received in the Public Works Department.

Letter to the Government of Bengal, No. 674 R.E., dated the 12th October 1883.

Letter from the Government of Bengal, No. 4008, dated the 23rd November 1883, received in the Public Works Department.

Resolution.—Under the rules of the Civil Travelling Allowance Code, hospital assistants attached to the Public Works Department may, if they have a large amount of travelling at or near head-quarters, be permitted to draw a horse allowance of Rs 7–8–0 a month. For journeys beyond 5 miles, they are entitled to the daily allowance admissible, which may be exchanged for the mileage admissible, if the distance travelled on any day exceeds 20 miles, but the horse allowance must be forfeited whenever daily allowance or mileage is drawn.

It is now represented by the Government of Bengal that the minimum daily rate of 4 annas is insufficient to cover the expenses, which hospital assistants attached to Survey Parties incur when travelling on duty beyond 5 miles; and, as a remedy it is proposed that this rate may be raised to 6 annas.

The requirements of the case will be suitably met by allowing the prescribed rate of horse allowance to be increased in special and exceptional cases, with the sanction of the Local Government. The President in Council is accordingly pleased to direct that the following rule be inserted under section 28 of the Civil Travelling Allowance Code, rule 6.

In special and exceptional cases the horse allowance admissible to a hospital assistant under the last preceding rule, may, with the previous sanction of the Local Government, be increased to Rs. 15 a month.

Order.—Ordered, that this Resolution be communicated to the Public Works Department.

No. 2200 G.

Copy, with copy of the Resolution referred to, is forwarded to the Local Governments, Administrations and officers named on the margin, for information and guidance.
