Judicial Department

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Registrar of the High Court
of Judicature, Appellate Side, Madras of 23rd March
1895, No. 869.

With reference to the first paragraph of G.O.
of 22nd August 1893, No. 1698, Judicial, I am directed
to forward for the favourable consideration of Government
copy of letter of 26th February 1895, No. 391 Civil (with
its enclosure in original) received from the District Judge
of South Malabar recommending for sanction a proposal
made by one Ismail Sahib to construct at his own cost
a block of Vakils' Chambers on a site selected by the District
Judge within the compound of the Sub Court house at
Palghat.

Enclosure.

Letter from the District Judge, South Malabar of 26th February 1895, No. 391 Civil

In my letter No. 1404 dated the 27th February
1893, I asked the High Court to obtain the sanction
of Government for the construction at the public cost
of Vakils' Chambers in connection with the civil courts at
Palghat. In reply the High Court in its Proceedings of
28th April 1893, No. 1298 was of opinion that the work

1,000-21-6-95.
should be left to private enterprise. With this view the Government ^{concerned} ~~concerned~~, vide its Proceedings of the 22nd August 1893, No. 1698 Judicial.

2. Ismail Sahib of Palghat now offers to construct the chambers at his own cost if Government grants the necessary site. The proposed building will be a substantial two-storied one and will afford sufficient accommodation for 30 Vakils (vide the accompanying plan (A) and the copy of the specification submitted by Ismail Sahib). The conditions under which he is prepared to undertake the work are embodied in his letter to the Sub Judge of Palghat dated 15th February 1895, a copy of which is also enclosed. The Sub Judge and the Vakils approve of the contractor and of the terms offered. The terms appear to me reasonable.

3. I have in consultation with the Sub Judge of Palghat and after personal inspection selected a site on the eastern side of the Court compound marked xy in the accompanying plan (B).

4. I have the honour, therefore, to request that you will be good enough to obtain the sanction of Government for the construction of the building on the said site by Ismail Sahib on the terms stated in his letter. As it is desirable that the work should be completed before the monsoon sets in, I request that early sanction may be obtained.

I may add that I consulted the Executive Engineer to whether, in his opinion, any alterations or additions are necessary in the specification or the plan of the building ^{as submitted} of the former but suggested a slight

alteration in the latter. This has been adopted in the plan now submitted.

Letter from Ismail Sahib, ^{Enclosure} Contractor, Palghat, d/15th February 1895, to the Sub Judge, Palghat.

I beg to submit that under the following conditions, I shall undertake to construct the Vakils' rooms in the Sub Court compound at Palghat at my own cost.

(1) I shall construct the rooms on the site pointed out to me by the Sub Judge.

(2) The building will be constructed as per plan and specification.

(3) 15 rooms downstairs and 15 rooms upstairs will be constructed on the condition that I may let the rooms to the Vakils at a rent of not more than Rs 2-4-0 and Rs 2 for the up and downstairs rooms respectively per mensem aggregating to Rs 63-12-0 every month.

(4) Annual and other repairs such as white washing &c. in accordance with the requisition of the Sub Judge will be done by me and at my cost to the building during the summer vacation or when required by the Sub Judge and the Municipal tax will be paid by me.

(5) If the Government require the site at any time, I shall surrender the building provided I receive the value settled by the Sub Judge.

6. If the value settled by the Sub Judge is not to my satisfaction, I shall dismantle and remove the materials of the building at my own cost within three months of receipt of notice from the Sub Judge.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Registrar of the High Court of Judicature, Appellate Side, Madras of 20th July 1895, No. 1949.

With reference to G.O. dated 22nd April 1895, No. 821 Judicial, I am directed to forward, for the information and orders of Government, copy of letter of 12th July 1895, No. 1053 received from the District Judge of South Malabar, regarding the proposed construction of a block of Vakils' chambers at Palghat, and to request that the Government will be pleased to issue orders for the surrender of the site in question to the Contractor.

Enclosure

With reference to the Proceedings of the Madras Government dated the 22nd April 1895, No. 821 Judicial copy of which was forwarded to me with the Deputy Registrar's endorsement under date the 6 May last No. 12 I have the honour to report that the Contractor is willing to comply with the conditions specified in his letter of the 15th February 1895 as modified by Government.

Order of 22nd April 1895, No. 821.

Contractor Smail Sahib's offer to construct a block of Vakils' chambers at Palghat will be accepted for and the site selected for the purpose will be made over to him if he is willing to comply with the conditions specified in his letter of the 15 February 1895 modified by the substitution of "Superintending Engineer" for "Sub Judge" in clause (5), and further agrees to execute a bond for Rs. 500 binding himself to keep the buildings in proper repair to the satisfaction of the Superintending Engineer.

12TH SEPTEMBER 1894, No. 2308 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers:—

From the Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated 4th August 1894, No. 230 G.L.

With reference to Educational Department Notification No. 86 published at page 878, Part I of the *Fort St. George Gazette*, dated 24th July 1894, containing a note that "Collectors of districts are regarded as heads of departments for the purpose of this clause"—article 3 (3) of the Public Service Notification—I have the honour to suggest the advisability of Superintending Engineers of Circles being appointed as heads of departments regarding Public Works employes in their circles, as this course would obviate the necessity of frequent references to you regarding exemptions from examination rules for short periods of acting men.

The Government for the consideration of the Superintending Engineer's recommendation is concurred in by the Chief Engineer, Public Works Department.

13th August 1894.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Secretary to Govt., P.W.D.

G.O., dated 30th August 1894, No. 639, Educational.

Read—endorsement of the Public Works Department, dated 13th August 1894, No. 2683 C., on letter from the Superintending Engineer, II Circle, dated 4th August 1894, No. 230 G.L.

Order—dated 30th August 1894, No. 639, Educational.

The Government has no objection to the proposal of the Superintending Engineer and the note which was appended to article 3 (3) of the Public Service Notification by Notification No. 86, dated the 18th July 1894, published at page 878, Part I of the *Fort St. George Gazette* of the 24th July 1894, will be read as if the words "and Superintending Engineers" were inserted after the words "Collectors of districts."

2. This concession is, however, coupled with the condition that Superintending Engineers submit quarterly to the Chief Engineer a statement of the cases in which they have granted temporary exemptions from the examination rules.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.
