ENCLOSURE

SIR,

In G. O. No. 21554
 5.12.95

it was decided that an
 officer occupying a Government
 house should pay rent
 for that house while on
 privilege leave, if he left
 his furniture there. As I
 am shortly going on privilege
 leave I shall feel obliged
 if you will make a re-
 -ference to Government

Concerning the applicability of the above G. O.
in my case. The circumstances are very
unusual. There is not of course any place
within 100 miles of Penjar where I can ware-
-house my furniture and I am obliged to
leave it in the house I now occupy or out
in the rain. Any other Officer is perfectly at
liberty to occupy the house during my ab-
-sence, and my furniture can if necessary
be all stored in one room; and in view of the
peculiar Conditions it seems hard that I should
be obliged to pay the whole rent.

I have the honor to be

Sir
Yours Most Obedt Servt.
Armackenzie

Sub. Off. Penjar

Read the following:—

From the Superintendent of Works Periyar Project

FOR ORDERS.

The case is a peculiar
one owing to the fact, men-
tioned by Mr. Mackenzie that
there is no place within a
hundred miles where he
can store his furniture
during his absence.

As the bungalow will be
available for use by any
other officer, if required, I
think the general principle
laid down in G.O. No. 3155 W.
dated 5th December 1893 might
be relaxed in this instance

I think this is a fair
case for exemption from
the general rule.
