Read the following paper:—

From the Inspector General of Police
Madras d/ 15th August 1895, No: 4629.

With reference to G.O 7th March 1891, No: 44
-garding the jail huts at Coimbatore, I have
honour to say that the huts have recently been
-ed over to the Police. I inspected these huts, re-
last in Coimbatore. They are in a state of very
bad repair, apparently having had nothing done
them for many years. It will now cost, I should
say, some Rs 3000 to put them into repair. They
will afford accommodation for the Reserve Inspector
and the European Head Constable and 58 constables.
I do not think the Police can be expected to sup-
-vise the carrying out of the necessary repairs and
I request that, if possible, the Government will order
them to be done by the Department of Public Works.

Order d/ 30th August 1895, No: 1816.

The Inspector General's proposal is appro-
-ved and the necessary orders for the execution of

repairs to the huts will be issued in the Public Works Department.
